

FAITH HAS NO *Color*

Precious thought that she had found a good man in Darrell, but quickly found out that he was no different than the previous men that she had chosen. Giving up on thinking she will never find a good man, in walks Bill. Finding love is not always easy and doesn't always come packaged the way we think it should.

Precious felt things were finally going well then tragedy strikes and she has to rely on the faith of friends, parents, and her ever loving grandmother to pull her through.

While struggling with her own faith Precious has to also deal with a crazy ex, a bigoted old woman, and another unexpected surprise. It's not until Precious relies on her own faith that things start to turn around.

The Madonnas of Echo Park Brando Skyhorse, 2011-02-08 We slipped into this country like thieves onto the land that once was ours With these words spoken by an illegal Mexican day laborer The Madonnas of Echo Park takes us into the unseen world of Los Angeles following the men and women who cook the meals clean the homes and struggle to lose their ethnic identity in the pursuit of the American dream When a dozen or so girls and mothers gather on an Echo Park street corner to act out a scene from a Madonna music video they find themselves caught in the crossfire of a drive by shooting In the aftermath Aurora Esperanza grows distant from her mother Felicia who as a housekeeper in the Hollywood Hills establishes a unique relationship with a detached housewife The Esperanzas shifting lives connect with those of various members of their neighborhood A day laborer trolls the streets for work with men half his age and witnesses a murder that pits his morality against his illegal status a religious hypocrite gets her comeuppance when she meets the Virgin Mary at a bus stop on Sunset Boulevard a typical bus route turns violent when cultures and egos collide in the night with devastating results and Aurora goes on a journey through her gentrified childhood neighborhood in a quest to discover her own history and her place in the land that all Mexican Americans dream of the land that belongs to us again Like the Academy Award winning film Crash The Madonnas of Echo Park follows the intersections of its characters and cultures in Los Angeles In the footsteps of Junot Diaz and Sherman Alexie Brando Skyhorse in his debut novel gives voice to one neighborhood in Los Angeles with an astonishing and unforgettable lyrical power *Faith is Not Important...It is Everything!* Mike

Digest of Decisions in Cases Relating to the Public Lands (Indian Matters Included). United States. Department of the Interior, 1962 [The End of Democracy and Faith](#) Sean Wallace, 2016-03-15 We are born into an automatic social contract democracy that we never consent to While seemingly championing the individual and the value of individual choice democracy ultimately degenerates into collectivism and mob rule Coupled with a reified religious mythology widespread economic and market collapse and deep political corruption the individual is lost within a democracy to the collective majority However can a just viable form of governance and society exist without the coercion of democracy The End of Democracy and Faith presents an alternative vision that wrests the value of individual choice from mob rule and restores the consent and supremacy of the individual in the social contract Eschewing faith and hope instead for a movement toward building bonds with our fellow men and women and for taking the reins and helping each other save our future it explores the connections between our morality identity history philosophy and economy And with the introduction of the concept of the voluntary state it offers a philosophical foundation in support of using freedom instead of coercion to handle our responsibilities regarding our own income retirement health care and way of life The promises of democracy and any individualism inherent to the founding of the nation have been largely replaced by a perilous disenfranchising collectivism Pursuing an alternative social reality one that can truly enable free markets overcome religious myth and restore individual choice represents a true challenge to the moral depravity of democracy and faith There are certain elements holding back our economy the author asserts though economists rarely make mention of them due to their status as societal sacred cows His arguments against democracy are the most engaging sections of the book in part because such cases are so infrequently made Kirkus Reviews **Coming to Faith Through Dawkins** Alister McGrath, Denis Alexander, 2023-08-29 Richard Dawkins Christian evangelist Editors Denis Alexander and Alister McGrath gather other intelligent minds from around the world to share their startling commonality Richard Dawkins and his fellow New Atheists were instrumental in their conversions to Christianity Despite a wide range of backgrounds and cultures all are united in the fact that they were first enthusiasts for the claims and writings of the New Atheists But each became disillusioned by the arguments and conclusions of Dawkins causing them to look deeper and with more objectivity at religious faith The fallacies of Christianity Dawkins warns of simply don't exist Spending time in this fascinating and powerful book is
