Faith What I Believe And Why I Believe It:

Do You Really Believe What You Say You Believe? Rodney Hobson, 2019-02-21 A Christian's growth is dependent on what they say they know regarding Christ and what they say they believe about Christ and the application of those beliefs in their circumstances. The Bible is filled with examples of men and women who believed in God and Christ yet struggled to believe what they heard read and said they believed. Abraham and Sarah, Zechariah, Jesus' disciples, Paul, and others had issues of believing what they heard or what was written in scripture. What does it mean when a person says I believe in God? How does unbelief affect what a Christian believes? Does what a person believes limit their ability to produce the truths of Christ and its results in their lives? This book is written to explore the challenges of believing the Word of God and learning how to produce the results of those beliefs in their lives. What is Faith? J. D. Myers, 2019-01-14

You might know what you believe but do you know that you believe? While many Christians know that they are supposed to believe, they don't know if they actually do believe. Stop wondering if you have false faith, spurious faith, temporary faith, intellectual faith, or head faith instead of heart faith. All such terms are unhelpful and unbiblical and cause many Christians to wonder if they have truly believed. By reading this book, you will not only discover how faith works but also how to know that you believe. This book also answers some of your most pressing questions about faith, such as the relationship between faith and works, whether or not God gives the gift of faith, and how it is possible to be certain about your faith. This book also provides explanations for several key Bible passages about faith. *Why I Believe* Chip Ingram, 2017-10-03 In our post-Christian pluralistic society, responding to the perception that Christians are prejudiced, anti-intellectual, and bigoted has become a greater challenge than ever before. The result is often intimidation, withdrawal, and even doubts among God's people about what we really believe. Bestselling author and teaching pastor at Living on the Edge, Chip Ingram, wants to change that. In *Why I Believe*, he gives compelling answers to questions about the resurrection of Christ, the evidence of an afterlife, the accuracy and intellectual feasibility of the Bible, the debate between creation and evolution, the historicity of Jesus, and more. The solid biblical, logical answers he shares will satisfy the honest doubts that every believer experiences now and then and will provide practical, thoughtful answers that can be shared with family and friends. This is the perfect resource for churches, small groups, and individuals who long not only to really know what and why they believe but also to be equipped to explain the intellectual justification for their faith in everyday language. Grounded in the Faith Ken Erisman, 2013-07-15

The greatest challenge for the twenty-first century church is the lack of catechesis training in biblical and doctrinal knowledge. As J. I. Packer states, where wise catechesis has flourished, the church has flourished, and where it has been neglected, the church has floundered. It is increasingly apparent that we are raising up generations of Christians who often have little idea what they should believe and why they should believe it. *Grounded in the Faith* takes up that challenge with twenty-four low-prep, in-depth sessions that will ground believers in the basics of their faith. This new, innovative guide is a transformational disciple-making tool that leaders can

immediately use to activate discipleship in the church It presents individuals small groups and Sunday school classes with a cohesive understanding of historic sound biblical theology that serves as a catalyst for deeper intimacy with Christ It is a user friendly guide to growth in the Christian faith that covers important topics such as justification overcoming temptation sanctification evidence for the inspiration of the Bible the value of prayer the guidance of God the Trinity the uniqueness of Christ and the attributes of God Remembering the Faith Douglas J. Brouwer,1999 Many Christians today neither know the full content of their faith nor could articulate the historical doctrines of the church Remembering the Faith offers help by providing a brief and highly readable introduction to the basic teachings of the Christian faith Douglas Brouwer canvasses the full range of Christian belief from the nature of revelation to the doctrines of God the Trinity creation Jesus the Holy Spirit sanctification and the meaning of the sacraments discussing each as it developed historically and showing why such fundamental statements of faith continue to be important today Throughout each chapter are excerpts from the historical confessions creeds and catechisms as well as selected quotes from theologians and poets Brouwer pastor of First Presbyterian Church in Wheaton Illinois organizes the book thematically with chapters on Where We Find God Who Jesus Is Three Persons One God and Last Things among other topics His careful and gentle reasoning and pastoral tone he understands those who doubt and wonder makes the book a pleasurable and informative read and another useful book for group study Christianity Today Behind the Faith Tony Mariot,2017-08-21 Many attribute their belief based on some life experience but these experiences are often clouded because of some traumatic emotional circumstance Any answers we tend to get for these moments are either vague or wrapped in some traditional antidote leaving us unsatisfied In many cases we would be better off making something up to believe on our own At least that way it would be more personal In the Christian faith finding these and other answers to even harder questions are relegated to the scriptures of the Bible The challenge there is that we can get answers that may be couched in religious doctrine There are over 2300 evolving translations of the Bible which have been used by millions over time to manipulate billions of people for thousands of years The Bible has been used to justify countless evils and atrocities How then can we trust a writing that has been so manipulated over the ages If the Bible and all that it represents is not real and not the absolute literal truth our faith on any front is without merit and we have all been played the fool There have been many books written about the Bible examining and criticizing even supporting the scriptures This effort will attempt to answer a simple yet compelling question What is behind the faith Faith Simplified Aaron Armstrong,2025-05-20 Curiosity Welcomed A Clear and Concise Explanation of Christianity The Christian faith has incredible life changing power And yet too many people Christians included know too little about it The more we truly come to know God his words and his works the more our lives become ripe for transformation With practical teaching and relatable storytelling Faith Simplified unpacks the faith defining truths of Christianity and their profound bearing on how you live each day Addressing the curious the questioning and the committed alike author Aaron Armstrong draws on biblical

knowledge and centuries of Christian theology to cast light on the faith's potential to powerfully affect your life. With abundant insights and engaging discussion questions in every chapter, *Faith Simplified* will inspire both individuals and groups to embrace faith in fresh compelling ways. This accessible guide will help you take these truths to heart so you can understand and experience the blessings of Christianity at their fullest.

Why Believe? C. Stephen Evans, 1996 C. Stephen Evans has written a pointed and personal book directed to those who want to have faith but whose thinking has been obscured by the static of prevailing philosophies illuminating the attraction and reasonableness of Christianity.

Why Believe? Norman Warren, 2012-10-08 Why believe in Jesus Christ? How can I know God? Why did Jesus die? Can we trust the Bible? This helpful small book explains the central beliefs of Christianity.

Sure Tim Menser, 2015-11-11 I went on a journey to find the truth about God's Word and how it applied to my life. The first thing I discovered was that God wanted more for me than to rescue me from hell. He wanted to walk with me every day of my life. He wanted me to trust Him and His Word so I could be sure about my faith. Have you ever been confused about the basic foundations of the Christian faith? Author Tim Menser describes a time in his life when he began searching for the foundational truths of Christianity so he could be sure about what he believed.

Sure Knowing What You Believe and Why You Believe It presents the foundational truths of the faith in a simple to understand format. Menser explains the basic concepts of the faith such as the Bible, Trinity, Humanity, Sin, Salvation, and the End Time in a straightforward manner that is both clear and Biblically grounded. Each chapter includes the Key Theology, the Key Truth, a Key Verse, and several Key Questions to guide understanding of each concept.

Faith-What I Believe and Why I Believe It-Does the Lord Call Everyone to Follow Him? Matthew Nofziger, 2018-10-30 Does the Lord call every person in the world to follow Him? Most would say yes. Let's look at what scripture has to say.

[A Faith of Your Own](#) Ronald J. Allen, 2010-01-25 A faith should be a living thing. What we believe necessarily evolves in response to insights into the Bible, to questions or doubts we face, to changes in life circumstances, or to things that happen in the larger world. Nevertheless, Christians often find it helpful to identify what they can most fully believe at a given moment. Such clarity empowers the present and leads us toward the future. Such moments can also be mile markers by which we measure our faith journey. In each chapter, the first section lists the most common ways a certain topic is understood in the Bible. The second section identifies important ways the church has interpreted that topic since the Bible's inception. The third section introduces contemporary perspectives. With that foundational knowledge, readers can make a judgment as to which viewpoints seem more or less persuasive to them personally. Finally, each chapter ends with questions for reflection for individuals or small groups.

I Believe, Now Tell Me Why Stephen M. Miller, 1994-06-22 Some of our best teachers and writers team up to explain why Christians believe what they do.

The Faith Charles Colson, Harold Fickett, 2008-08-19 Rightly understood and rightly communicated, the Christian faith is one of great joy. It is an invitation to God's kingdom where tears are replaced by laughter and longing hearts find their purpose and their home. This is the heart of the gospel. God's

search to reclaim us and love us as his own But have we truly grasped this Those of us who have disdained Christianity as a religion of bigotry have we repudiated the genuine article or merely demonstrated our own prejudice and ignorance Those of us who are Christians have we deeply apprehended the mission of Jesus and do our ways and character faithfully reflect his beauty From the nature of God to the human condition to the work of Jesus to God s coming kingdom and all that lies between how well do we understand the foundational truths of Christianity and their implications The Faith is a book for our troubled times and for decades to come for Christians and non Christians alike It is the most important book Chuck Colson and Harold Fickett have ever written a thought provoking soul searching and powerful manifesto of the great historical central truths of Christianity that have sustained believers through the centuries Brought to immediacy with vivid true stories here is what Christianity is really about and why it is a religion of hope redemption and beauty **Faith-What I**

Faith - What I Believe and Why I Believe It Matthew Nofziger,2013-10-11 This book is a guide to understanding the often misunderstood passages of the Bible Have you ever been reading your Bible and come across passages that don t line up with the standard doctrines of the Christian faith I have I began a journey to search out the truths of the Bible by attempting to read it without any preconceived ideas Some of my findings may shock you while others may confirm what you have already known There are many uplifting passages in scripture as well as many that bring about the fear of the Lord I believe that many in the body of Christ have gotten out of balance towards the uplifting passages While the Bible does contain many uplifting passages we need to re learn how to balance out the scriptures again It is my prayer that this book will do that My heart is to see the followers of Christ fully surrender their lives to Him in a deeper way and also to develop a deeper fear of the Lord **Do You Believe It?** Peter Harris,2020-01-09 Do you doubt the truth of your Christian faith Peter Harris s book Do You Believe It is for you It is also for those who know Christians who are struggling with doubt and for those who have been challenged about their faith by skeptics and don t have the answers By looking at the very best of evidence for
