Stolen English Tasha Boyd, 2022-11-22 The problem with a self appointed bodyguard that you have feelings for is that they are right up close and personal every damn day and when they look like Evan Roark they re impossible to ignore Andrea I didn t think I d live another day It s been almost ten years since I escaped to a life I could never imagine And to a man I can only dream about Evan Roark has been my beacon he s been the man who s shown me that men who are strong can also be safe After almost a decade I m finally ready to take back my life and remember the woman inside me the woman who wants who needs who loves who feels who craves only he s made it clear I can t crave him But I haven t made it this far to make a new life only to fail now I want him to be the one to help me erase my past And if he wants to be all up in my space being bossy and overprotective and looking so hot then I can t help it if I ll try anything possible to get him to touch me Evan Nine years ago I asked my best friend Xavier for a favor a way to keep Andrea safe While I run security for him and guard his family against all threats I can also keep her close I keep her close but never touch But when she paints a target on her back by filing for divorce I m forced to make a choice and it s her I have to protect And now she s calling my bluff letting me know she s ready to finally trust another man to hold her to touch her to love her It s killing me I want it to be me but I can t be both her lover and her protector If I give in then I won t see the threat coming I know what happens when I get distracted People get hurt But she s making it so damn difficult Set against the backdrop of Southern France in and around a tiny storybook village reminiscent of Belle s village in Beauty and The Beast comes a story of a woman whose life was stolen by an abusive husband and the man who ll help her remember the woman she is inside This book has a backstory of domestic violence and abuse It is not on page but proceed with caution if this is a difficult area for you when it is mentioned
