

Gerald R Mcdermott Book

David W. Hall

Gerald R McDermott Book:

A New History of Redemption Gerald R. McDermott, 2024-03-19 Southwestern Journal of Theology 2024 Book Award Honorable Mention Church History Historical Theology Biography Although Jesus's work of redemption is often viewed as a singular event a careful examination of Scripture reveals that the Messiah began his redemptive work just after the fall and will continue it to the end of the world In the spirit of Jonathan Edwards's *History of the Work of Redemption* distinguished theologian Gerald McDermott traces the progress of redemption throughout the Bible and Church history This book connects the dots surrounding Israel redemption by the Jewish Messiah secular and sacred history the world religions and Jewish Christian worship through liturgy and sacraments It shows how Jesus as Messiah was redeeming throughout Old Testament history and it carries that story up through the last two millennia McDermott contends that it is only through a historical examination of the Messiah's redemption amid the turmoil of the world and the worship of his people that one can best see God's beauty

Israel Matters Gerald R. McDermott, 2017-05-30 Widely respected theologian Gerald McDermott has spent two decades investigating the meaning of Israel and Judaism What he has learned has required him to rethink many of his previous assumptions *Israel Matters* addresses the perennially important issue of the relationship between Christianity and the people and land of Israel offering a unique and compelling third way between typical approaches and correcting common misunderstandings along the way This book challenges the widespread Christian assumption that since Jesus came to earth Jews are no longer special to God as a people and the land of Israel is no longer theologically significant It traces the author's journey from thinking those things to discovering that the New Testament authors believed the opposite of both It also shows that contrary to what many Christians believe the church is not the new Israel and both the people and the land of Israel are important to God and the future of redemption McDermott offers an accessible but robust defense of a New Christian Zionism for pastors and laypeople interested in Israel and Christian Jewish relations His approach will also spark a conversation among theologians and biblical scholars

Everyday Glory Gerald R. McDermott, 2018-11-20 How do we know and speak about God's relation to this world Does God reveal himself through his creation This book recaptures a Christian vision of all reality that the world is full of divine signs that are openings into God's glory Bringing together insights from some of the tradition's greatest thinkers Edwards Newman and Barth Gerald McDermott resurrects a robust theology of creation for Protestants He shows how and where meaning can be found outside the church and special revelation in various realms of creation including nature science law history animals sex and sports

Race and Covenant: Recovering the Religious Roots for American Reconciliation Gerald McDermott, 2020-10-15

World Religions Gerald R. McDermott, 2011 Gerald R. McDermott explains what you need to understand about major world religions in order to engage people of other faiths while better understanding your own Christian faith and practice

The New Christian Zionism Gerald R. McDermott, 2016-09-10 Christian Zionism is often seen as the offspring of premillennial dispensationalism But the

authors of this work contend that the biblical and theological connections between covenant and land are nearly as close in the New Testament as in Old Testament. With academic rigor this provocative volume proposes a place for Christian Zionism in an integrated biblical vision today. *The Great Theologians* Gerald R. McDermott, 2025-12-23 Who are the church's great theologians? What was special about their teaching? What can we learn from them today? Gerald McDermott has written this book for those who want a solid introduction that is challenging but not overwhelming. Provocative but satisfying. And not too long. McDermott not only informs us about eleven pivotal theologians from Origen to von Balthasar but helps us sort out what is of continuing value today. With study questions at the end of each chapter, this book is perfect for small groups to go through together. As you do, you'll explore your shared theological history and uncover more about what and why you believe. Here's your chance to think with the greats about God. **Claiming Christ** Robert L. Millet, Gerald R. McDermott, 2007 An evangelical and a Mormon discuss their views about Jesus, offering an honest appraisal of the two views and establishing grounds for continued conversation. God's Rivals Gerald R. McDermott, 2009-08-20 Gerald R. McDermott explores the question: Why are there other religions? He looks at teaching from the Old and New Testaments and from a number of key teachers from the early church to suggest an answer to this perplexing but intriguing question. *Handbook of Religion* Terry C. Muck, Harold A. Netland, Gerald R. McDermott, 2022-06-07 One Holy and Happy Society Gerald R. McDermott, 2010-11 Jonathan Edwards (1703-58) was arguably this country's greatest theologian and its finest philosopher before the nineteenth century. His school of disciples, the New Divinity, exerted enormous influence on the religious and political cultures of late colonial and early republican America. Hence any study of religion and politics in early America must take account of this theologian and his legacy. Yet historians still regard Edwards's social theory as either nonexistent or underdeveloped. Gerald McDermott demonstrates to the contrary that Edwards was very interested in the social and political affairs of his day and commented upon them at length in his unpublished sermons and private notebooks. McDermott shows that Edwards thought deeply about New England's status under God, America's role in the millennium, the nature and usefulness of patriotism, the duties of a good magistrate, and what it means to be a good citizen. In fact, his sociopolitical theory was at least as fully developed as that of his better-known contemporaries and more progressive in its attitude toward citizens' rights. Using unpublished manuscripts that have previously been largely ignored, McDermott also convincingly challenges generations of scholarly opinion about Edwards. The Edwards who emerges from this book is both less provincial and more worldly than the persona he is commonly given. **The Future of Orthodox Anglicanism** Gerald R. McDermott, 2020-02-25 A fascinating read about a future fraught with challenges and buoyed by hopes. Michael F. Bird: Anglicanism is currently the fastest growing Christian communion in the world. Evangelicals hungry for connection to the early church's mystery, sacraments, and liturgy are being drawn to this historic Protestant denomination. But what sets today's Anglicanism apart from its own history as well as that of other Christian denominations? Eleven essays by prominent Anglican

scholars and leaders representing diverse perspectives from East Africa North Africa and North America explore the rich legacy of the Anglican Church grounding readers in the past in preparation for the future **The Genevan Reformation and the American Founding** David W. Hall,2005-01-01 In this provocative study David W Hall argues that the American founders were more greatly influenced by Calvinism than contemporary scholars and perhaps even the founders themselves have understood Calvinism s insistence on human rulers tendency to err played a significant role in the founders prescription of limited government and fed the distinctly American philosophy in which political freedom for citizens is held as the highest value Hall s timely work countervails many scholars doubt in the intellectual efficacy of religion by showing that religious teachings have led to such progressive ideals as American democracy and freedom The Baker Pocket Guide to World Religions Gerald R. McDermott,2008 For busy people who want a quick overview of the world s major faiths The Baker Pocket Guide to World Religions is a succinct affordable resource that puts the answers at readers fingertips

Mormonism: A Guide for the Perplexed Robert L. Millet,Shon D. Hopkin,2015-11-19 Mormonism A Guide for the Perplexed explains central facets of the Mormon faith and way of life for those wishing to gain a clearer understanding of this rapidly growing world religion As The Church of Jesus Christ of Latter day Saints continues to grow in the United States and especially in other countries with a total membership of over 15 million more than 50% of which is outside the US and as theologians and church leaders wrestle with whether Mormonism is in fact a valid expression of modern Christianity this distinctive religious tradition has become increasingly an object of interest and inquiry This book is the ideal companion to the study of this perplexing and often misunderstood religion Covering historical aspects this guide takes a careful look at the whole of Mormonism its tenets and practices as well as providing an insight into a Mormon life *Reading Jonathan Edwards* M.X. Lesser,2008-02-13 This compilation of reader response to Jonathan Edwards spanning 276 years includes a reprint of two earlier works Jonathan Edwards A Reference Guide 1981 and Jonathan Edwards An Annotated Bibliography 1994 and the publication of a third a gathering of commentary from 1994 to 2005 Nearly 140 essays have been added to the first and second works while the last new gathering which includes a celebration of the tercentenary of Edwards s birth adds another 700 to the whole The text preserves the pattern of arranging items alphabetically within a given year and of recording cross references Essays in a collection are annotated serially rather than alphabetically Each of the three sections is self contained with an introduction and annotated bibliography of its own Adding to the immense value of this work to Edwards scholars are the chronology of Edwards s works listed by date and by short and long title which precedes the entire work and the three comprehensive indexes of authors and titles of subjects and additions to the previous volumes **A Legacy of Preaching: Two-Volume Set---Apostles to the Present Day** Zondervan,2018-12-11 A Legacy of Preaching Two Volume Set Apostles to the Present Day explores the history and development of preaching through a biographical and theological examination of its most important preachers Instead of teaching the history of preaching from the perspective of

movements and eras each contributor tells the story of a particular preacher in history allowing these preachers from the past to come alive and instruct us through their lives theologies and methods of preaching Each chapter introduces readers to a key figure in the history of preaching followed by an analysis of the theological views that shaped their preaching their methodology of sermon preparation and delivery and an appraisal of the significant contributions they have made to the history of preaching This diverse collection of familiar and lesser known individuals provides a detailed and fascinating look at what it has meant to communicate the gospel over the past two thousand years By looking at how the gospel has been communicated over time and across different cultures pastors scholars and homiletics students can enrich their own understanding and practice of preaching for application today Volume One covers the period from the apostles to the Puritans and profiles thirty preachers including Origen of Alexandria by Stephen O Presley John Chrysostom by Paul A Hartog Augustine of Hippo by Edward L Smither Gregory the Great by W Brian Shelton Bernard of Clairvaux by Elizabeth Hoare Francis of Assisi by Timothy D Holder Saint Bonaventure by G R Evans Meister Eckhart by Daniel Farca John Huss by Mark A Howell Martin Luther by Robert Kolb John Calvin by Anthony N S Lane Jonathan Edwards by Gerald R McDermott John Wesley by Michael Pasquarello III George Whitefield by Bill Curtis and Timothy McKnight and many more Volume Two covers the period from the Enlightenment to the present day and profiles thirty one preachers including Catherine Booth by Roger J Green Charles Haddon Spurgeon by Thomas J Nettles Henry Ward Beecher by Michael Duduit John Albert Broadus by Hershael W York D L Moody by Gregg L Quiggle Billy Sunday by Kristopher K Barnett Karl Barth by William H Willimon Dietrich Bonhoeffer by Keith W Clements D Martyn Lloyd Jones by Carl Trueman John Stott by Greg R Scharf Harry Emerson Fosdick by Dwayne Milioni Aimee Semple McPherson by Aaron Friesen Gardner C Taylor by Alfonza W Fulwood and Robert Smith Jr Billy Graham by John N Akers Martin Luther King Jr by Alfonza W Fulwood Dennis R McDonald and Anil Sook Deo J I Packer by Leland Ryken and Benjamin Hernandez and many more

Understanding Jonathan Edwards Gerald R McDermott, 2008-12-02 Jonathan Edwards 1703-58 is widely recognized as America's greatest religious mind A torrent of books articles and dissertations on Edwards have been released since 1949 the year that Perry Miller published the intellectual biography that launched the modern explosion of Edwards studies This collection offers an introduction to Edwards's life and thought pitched at the level of the educated general reader Each chapter serves as a general introduction to one of Edwards's major topics including revival the Bible beauty literature philosophy typology and even world religions Each is written by a leading expert on Edwards's work The book will serve as an ideal first encounter with the thought of America's theologian

[Learning Messiah](#) Edjan Westerman, 2018-09-27 Israel's election calling and history make up a big part of Scripture It could be said that they belong to the DNA of the Bible But why is it then that the Christian narrative about the Messiah Israel and the nations often seemed to have and sometimes even still has a different genetic structure Does Israel together with its election and promises leave God's stage through a side door when Jesus appears on stage Does

a changing of roles take place within a different story Does the Messiah function within it as some kind of black hole in which the eternal election and calling of Israel disappear How do we read God's way The Holocaust made us realize that our de-Jew-ized reading and preaching of Scripture contributed in various ways to this catastrophe And we find ourselves confronted by the question How does the narrative of the Bible then look when the whole of Scripture plays a decisive role and the faithfulness of God toward Israel stays in the center This book presents an answer to these questions calling us to learn to read God's way anew and to walk in it

Themelios, Volume 35, Issue 2 D. A. Carson, 2015-01-27 Themelios is an international evangelical peer reviewed theological journal that expounds and defends the historic Christian faith Themelios is published three times a year online at The Gospel Coalition <http://thegospelcoalition.org/themelios> and in print by Wipf and Stock Its primary audience is theological students and pastors though scholars read it as well Themelios began in 1975 and was operated by RTSF/UCCF in the UK and it became a digital journal operated by The Gospel Coalition in 2008 The editorial team draws participants from across the globe as editors, essayists and reviewers General Editor D. The book delves into Gerald R Mcdermott Book. Gerald R Mcdermott Book is a vital topic that needs to be grasped by everyone, ranging from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Gerald R Mcdermott Book, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:
 - Chapter 1: Introduction to Gerald R Mcdermott Book
 - Chapter 2: Essential Elements of Gerald R Mcdermott Book
 - Chapter 3: Gerald R Mcdermott Book in Everyday Life
 - Chapter 4: Gerald R Mcdermott Book in Specific Contexts
 - Chapter 5: Conclusion
2. In chapter 1, this book will provide an overview of Gerald R Mcdermott Book. The first chapter will explore what Gerald R Mcdermott Book is, why Gerald R Mcdermott Book is vital, and how to effectively learn about Gerald R Mcdermott Book.
3. In chapter 2, this book will delve into the foundational concepts of Gerald R Mcdermott Book. The second chapter will elucidate the essential principles that must be understood to grasp Gerald R Mcdermott Book in its entirety.
4. In chapter 3, the author will examine the practical applications of Gerald R Mcdermott Book in daily life. This chapter will showcase real-world examples of how Gerald R Mcdermott Book can be effectively utilized in everyday scenarios.
5. In chapter 4, the author will scrutinize the relevance of Gerald R Mcdermott Book in specific contexts. This chapter will explore how Gerald R Mcdermott Book is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about Gerald R Mcdermott Book. This chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Gerald R Mcdermott Book.
