

A close-up, low-angle shot of a red Hesston 1340 combine harvester. The machine is positioned in a field of dry, yellowish-brown grass under a clear blue sky with some light clouds. The harvester's red frame is prominent, with a white label displaying the number '1340' in bold black font. To the right of the number, the brand name 'HESSTON' is visible in white capital letters on a black background. Above the main frame, a yellow cylindrical component, likely part of the grain elevator or auger system, is visible. A black metal structure, possibly a support or part of the harrow, extends from the top of the machine. In the foreground, a black horizontal pipe or rod runs across the lower portion of the frame. The overall scene suggests a harvesting operation in progress.
