English language learners      **Directory of World Cinema: Africa** Sheila Petty, 2014-01-01 Eschewing the postcolonial hubris that suggests Africa could only define itself in relation to its colonizers a problem plaguing many studies published in the West on African cinema this entry in the Directory of World Cinema series instead looks at African film as representing Africa for its own sake values and artistic choices With a film industry divided by linguistic heritage African directors do not have the luxury of producing comedies thrillers horror films or even love stories except perhaps as DVDs that do not travel far outside their country of production Instead African directors tend to cover serious sociopolitical ground even under the cover of comedy in the hopes of finding funds outside Africa Contributors to this volume draw on filmic representations of the continent to consider the economic role of women rural exodus economic migration refugees and diasporas culture religion and magic as well as representations of children music languages and symbols A survey of national cinemas in one volume Directory of World Cinema Africa is a necessary addition to the bookshelf of any cinephile and world traveller      *Heart of Darkness* Joseph Conrad, 2012-08-28 In a novella which remains highly controversial to this day Conrad explores the relations between Africa and Europe On the surface this is a horrifying tale of colonial exploitation The narrator Marlowe journeys on business deep into the heart of Africa But there he encounters Kurtz an idealist apparently crazed and depraved by his power over the natives and the meeting prompts Marlowe to reflect on the darkness at the heart of all men This short but complex and often ambiguous story which has been the basis of several films and plays continues to provoke interpretation and discussion Heart of Darkness grew out of a journey Joseph Conrad took up the Congo River the verisimilitude that the great novelist thereby brought to his most famous tale everywhere enhances its dense and shattering power Apparently a sailor's yarn it is in fact a grim parody of the adventure story in which the narrator Marlow travels deep into the heart of the Congo where he encounters the crazed idealist Kurtz and discovers that the relative values of the civilized and the primitive are not what they seem Heart of Darkness is a model of economic storytelling an indictment of the inner and outer turmoil caused by the European imperial misadventure and a piercing account of the fragility of the human soul      **Forgive Us Our Spins** Jesse Lerner, 2008-05-02 Well written witty and wise Jesse Lerner's book goes well beyond its brief it helps us understand where the left has been going for the last few years and where it might end up GEORGE MONBIOT columnist The Guardian UK Forgive Us Our Spins is a very smart and well researched book about the ever controversial Michael Moore Lerner does a great job at showing why Moore's political and cultural adventures often do more damage than good And Lerner is a man of the left who doesn't make excuses for the right A concern for decency and the quality of public discussion in this country shine through in this book a healthy antidote to not just Michael Moore but also the intellectual clowns of the right like Ann Coulter and Michael Savage Let's hope Lerner's voice is heard by many KEVIN MATTSON professor Ohio University and author of Upton Sinclair and the Other American Century As the 2004 presidential election approached Michael Moore repeatedly expressed confidence that his film Fahrenheit 9 11 would have a powerful impact on the outcome of that bitter

contest The talking cogs in the right wing media machine were happy to agree with him They foresaw that Moore and his flawed shallow and factually sloppy film would be major factors in motivating and energizing their base Left right or in between everyone has an opinion about Michael Moore His books reside on bestseller lists his films are unfailingly controversial and his politics range far to the left of any elected official on the national scene So why is he the only voice capable of bringing progressive issues and ideas to public awareness What message should the Democratic Party glean from his immense popularity What impact will Moore and his work have on the future of the left In *Forgive Us Our Spins* you ll meet Michael Moore as you ve never seen him before This witty well written critique of America s most commercially successful radical examines Moore s life and work reveals the personal history that underlies his political passions and takes a clear eyed look at his controversial trouble with the facts Love him or hate him you can t deny Michael Moore s political stature Is he the champion the left has long yearned for or the kind of friend that s more dangerous than an enemy Read *Forgive Us Our Spins* then decide The Economic Review ,1995 *Review of International Affairs* ,1970 **Darfur Allegory** Rogaia Mustafa Abusaraf,2021-03-16 The Darfur conflict exploded in early 2003 when two rebel groups the Sudan Liberation Movement and the Justice and Equality Movement struck national military installations in Darfur to send a hard hitting message of resentment over the region s political and economic marginalization The conflict devastated the region s economy shredded its fragile social fabric and drove millions of people from their homes Darfur Allegory is a dispatch from the humanitarian crisis that explains the historical and ethnographic background to competing narratives that have informed international responses At the heart of the book is Sudanese anthropologist Rogaia Abusharaf s critique of the pseudoscientific notions of race and ethnicity that posit divisions between Arab northerners and African Darfuris Elaborated in colonial times and enshrined in policy afterwards such binary categories have been adopted by the media to explain the civil war in Darfur The narratives that circulate internationally are thus highly fraught and cover over to counterproductive effect forms of Darfurian activism that have emerged in the conflict s wake Darfur Allegory marries the analytical precision of a committed anthropologist with an insider s view of Sudanese politics at home and in the diaspora laying bare the power of words to heal or perpetuate civil conflict Uganda Review ,1998-05 **Roger Ebert's Movie Yearbook 2013** Roger Ebert,2012-12-04 Roger Ebert s criticism shows a nearly unequaled grasp of film history and technique and formidable intellectual range New York Times Pulitzer Prize winning film critic Roger Ebert presents more than 600 full length critical movie reviews along with interviews tributes and journal entries inside Roger Ebert s Movie Yearbook 2013 It includes every movie review Ebert has written from January 2010 to July 2012 Also included in the Yearbook In depth interviews with newsmakers and celebrities Tributes to those in the film industry who have passed away recently Essays on the Oscars reports from the Toronto Film Festival and entries into Ebert s Little Movie Glossary **BMJ** ,2005 *Let Us Talk of Many Things* William F.
