lives and churches that have been changed as a result of these practical biblical approaches **Rethinking the Church**

James Emery White, 2003-07-01 Why is it important to rethink the church Today many leaders focus on how their ministries can be run more efficiently But the foundational question according to James Emery White should be Why do we have this ministry and then Why do we do this ministry the way we do Is it effective Rethinking the Church helps pastors and lay leaders work through questions that must be answered if a church is to rethink evangelism discipleship ministry worship community and the structure of the church Break old molds check assumptions and be sensitive says White He uses the language and aims of seeker targeted churches but urges readers not to tie themselves to any model without understanding the individual purpose of their church Now thoroughly revised and expanded Rethinking the Church contains more emphasis and key material on how to move from rethinking to transition White blends biblical reflection and hands on experience and uses the early church as described in the Book of Acts as the ultimate example *Church, Come Forth* Todd

Hudnall, 2015-10-02 The majority of American churches are stalled or in decline Church Come Forth is a strategic model for renewing and revitalizing plateaued and dying churches into prevailing and growing congregations Todd Hudnall combines Biblical insights church revitalization research and his experience as a turnaround pastor to provide a guidebook for transformation It is God's desire to renew His church and most church leaders will find this plan a Godsend in effectively revitalizing their congregations Steve Pike Director of the Church Multiplication Network says Three words came to mind when I read Church Come Forth by Todd Hudnall Biblical Practical Real Biblical A book about God's Church would be useless if not filled with wisdom from God's Book Hudnall carefully makes the Biblical case for revitalization unpacking scripture after scripture to lay a firm foundation for why and how a drifting church can once again join God on His mission Practical Todd Hudnall is a seasoned and successful practitioner whose walk aligns with his talk His counsel is based on the best research and his actual experience of applying that research As a result Church Come Forth is loaded with great advice that is tried and true Real Todd's honesty about his personal growing pains is refreshing His diverse experience in churches small and large make his counsel relatable to every pastor He writes as a pastor friend writing to a pastor friend Church Come Forth is a must read for every leader of a plateaued or declining church Bringing Heaven to Earth Josh Ross, Jonathan

Stormont, 2015-05-05 You Can Help Bring Heaven to Earth God so loved the world and he still does He values his creation too much to destroy it If you know where to look you can see that the coming of a new heaven and a new earth already has begun Life on earth is renewed every time you live out Jesus's prayer that God's ways will be followed on earth The work of God's Kingdom involves restoring what has been broken This includes people unjust systems relationships anything that has been separated from God and needs to be healed reconciled and set right This is how heaven collides with earth not following fiery destruction but in the power of restoring to life everything that God created What you believe about God's plan for humanity and for his creation determines how you will invest your life God calls all of us to this renewing work You can help bring

Check DMin, 2025-07-14 We all make mistakes and most of us make the same mistake several times Learning from our mistakes is a lifelong process Growing is often painful but growing and learning are positive benefits of failure We often learn very little from our successes Instead we learn what will work by trial and error Great leaders learn what works by trying and failing We should embrace failures and ask ourselves difficult questions rather than running away The first and most important question is where did the idea originate Was this a good idea If so why did it fail What was my role in the failure and what could I have done better How did I respond to the failure and what will I do differently next time We must be courageous enough to ask these and other probing questions in the church community or whatever group setting is relevant to the circumstances Finally we must never allow ourselves to be defined by failure recognizing that the ultimate failure is not trying **Healthy Leadership for Thriving Organizations** Justin A.
