*NADA's Automotive Executive*, 1996 **How to Build a Million Dollar Medical Transportation Company** Joel Davis, 2025-01-06 How to Build a Million Dollar Medical Transportation Company is a 325 page manual created by online best selling author Joel Davis The most recent revision Edition XIX published in May 2023 includes step by step processes and procedures for building your own successful Non Emergency Medical Transportation Company The former owner of a very successful NEMT business in one of the most highly regulated states New York Joel achieved great success by building exceptional relationships with area facilities establishing service agreements and gaining increased rates of reimbursement from Medicaid Joel remains the foremost authority in the NEMT industry helping to advise educate prepare and negotiate contracts on behalf of providers across the country Through his efforts many providers have gained increase rates of reimbursement diversified business models increased net worth and enhanced business model fostering more efficiency and productivity Joel is founder of the United Medical Transportation

Providers Group UMTGP His efforts are very much needed as the elderly population continues to grow at such a pace it will literally double by the year 2030 This highly targeted and rapidly growing niche market is always going to need assisted support services to include transportation Coupled with a booming medical industry that will consume in excess of 25% of the GDP in the coming years hospitals and facilities are always in need of quality assisted transportation The NEMT industry is obviously growing in demand and longevity There are several ways to make money in this industry to include private pay clients Medicaid workers comp VA no fault insurance private facility contracts and more Hospitals and facilities are always in need of transportation to ensure continuity of care and accomplish their mission You can transport clients to and from medical appoints dialysis centers treatments centers in and out of hospitals out of emergency rooms to and from doctor offices senior centers and much more Again the opportunities are wide and diverse One of the best aspects in starting a NEMT business is that it doesn't require a lot of upfront capital as compared to other startups franchises and business opportunities Also because this is NON emergency transportation you do NOT need any special life saving skills equipment or training This means anyone can start build and operate their own successful non emergency medical transportation company by following Joel's step by step instructions In this resource you're going to learn Necessary licensing and registration requirements Different elements components and assets needed to build and integrate into your NEMT business Strategies systems policies and procedures for drivers dispatchers and asset management Driver Manual and Training Employee Handbook and many other forms to duplicate and customize for your business Policies and procedures for effective daily office dispatch and account management Strategies for managing labor costs cash flow and expenses to ensure maximum profit earning potential Policies and procedures for monitoring vital business statistics and profitability to indicate timing for vehicle and asset acquisition This is a content rich manual that is direct to the point and offers no fluff At a time when finding legitimate business opportunities are rare this is a business opportunity with longevity and real earning potential Don't be fooled by knock off resources created by bloggers and phony authors Joel provides real opportunity guidance and solutions When you invest in How to Build a Million Dollar Medical Transportation Company you're investing in much more than an ebook You're investing in service and support from the expert in the industry versus an online marketer with no NEMT experience

*Dark Boundaries* John Russell Fearn, Paul Lorraine, 2015-09-30 When Commander Herries of the Space Line began to sell the water of Mars as a potion for lengthening life he had no idea that he was going to create the world's greatest thirst and produce havoc among the two social grades of Earth the Intelligentsia and the Normals But produce it he did Among the confusion thus produced one man thinks clearly for his own ends Vance Unthra the leading scientist of the world and he sees in the crisis which has hit Earth a way to be rid of all those who do not measure up to what he thinks as an intellectual standard By his orders two synthetic worlds are created Alpha and Omega and to these are ruthlessly evacuated all the victims of the Martian water there to rebuild their shattered fortunes and never cross the Dark

Boundaries which exist between those worlds and Earth Despite his careful planning however Unthra makes one mistake In destroying the power of the Martian water over the evacuated thousands he miscalculates the strength of cosmic radiation on Omega with the result that the leader the Controllix of this world Sylvia Grantham becomes a far greater power in the grand scheme of things than her former lover Dexter Carfax Through the machinations of the wily Unthra open hostility breaks out between Dexter Carfax and the girl and eventually their worlds are destroyed through the influence of a deadly chain reaction disease from the Great Red Spot of Jupoter Both of them however through the various experiences they undergo hold to one objective to be avenged on Vance Unthra for his viciousness **Atavar** Arthur Benjamin Reeve,1924
