Is He Dead:

THE OLD MAN DIED (AND HE'S DEAD) David A Swincer, 2016-06-03 It's all Adam's fault OK Then you have just condemned yourself to a Christless eternity Reflect carefully on the statement just made In an earlier volume on the doctrine of original sin Condemned Already we noted that if Adam is to be blamed for our condemnation then we have to address the reason for his condemnation Adam was innocent until he sinned in regard to the prohibition of the Tree of Life At that point he died Spiritually he was cut off and alienated from God and out of fellowship and God immediately announced His already prepared plan of rescue The Son of the descendant of the woman Eve the Lord Jesus Christ would bruise the serpent's head the serpent who was the vehicle for Adam's sin and fall through the temptation orchestrated by Satan 15 And I will put enmity between you and the woman and between your offspring and hers he will crush your head and you will strike his heel Genesis 3:15 The situation for Adam is clear enough He was innocent and then became a sinner by sinning We can easily identify the CAUSATIVE sin that was responsible for his demise his default in regard to the Tree of Life But if Adam's sin is the CAUSATIVE sin that constitutes me a sinner and that is the majority view then I am condemned to a Christless eternity all because of Adam's sin Supposedly in solidarity with the human race every man woman and child of all time is condemned not on his own account but because of Alien Guilt inherited from Adam Adam's sin is thus my sin The tragedy is if Adam's sin IS CAUSATIVE for me but I don't believe that it is and for my condemnation Condemned Already then the only way that I can reverse that situation is to address the CAUSATIVE sin But it is not my sin And I can't repent of another person's sin I can't repent of Adam's sin I can't address the foundational issue So I can't address the cause of my condemnation and therefore I can't be saved The seriousness of this situation seems to escape most theologians Why This is serious This critical issue was the basis of that first volume and was the central issue that was addressed demonstrating that we are each personally CULPABLE and responsible to God for our sin the CAUSATIVE sin that constituted EACH of us as a sinner And hence we are condemned JUSTLY and PERSONALLY All people of all time are individually responsible for their own sin and hence of their condemnation That being the case they can indeed MUST repent of their own sin in order to be saved Thus God is just in His demands and fair in His expectations based upon the finished work of Christ As far as the Christian is concerned The Old Man died never to rise again The Old Man is dead And yet I repeatedly hear people excusing themselves for their sin because The Old Man affected me and compelled me Or more commonly they use the term the sin nature I was influenced by my sin nature old nature See extra discussion on the Natures in Chapter 2 It's not my fault As a non-Christian we could blame Adam for making me a sinner Now as a Christian who do I blame for my daily sins We just don't want to accept responsibility for our actions The first volume addressed our culpability for our CAUSATIVE sin The sin that constituted me a sinner in the first place This volume addresses our culpability for our sin as a Christian We need to start our search here at precisely this point a careful exegesis of the biblical teaching concerning the Old Man **It Isn't Cheating if He's Dead** Julie

Brown,2024-02-18 In this candid memoir Amanda Brown chronicles the unimaginable sexual abuse she suffered from the age of eight at the hands of her stepfather Davy Tweed No Peace Until He s Dead offers a raw and unflinching account of Amanda s childhood years marred both by the domestic abuse suffered by her mother at the hands of Tweed and her own appalling trauma leading to her courageous pursuit of justice and recovery Davy Tweed a DUP councillor Orangeman and lauded rugby player for both Ulster and Ireland maintained the veneer of upstanding citizen through his political and sporting life yet he was unafraid to show an intimidating streak in public notably with his involvement in the Harryville pickets at which he was an unrelenting and vocal figure However this public ugliness paled in comparison to the violent incestuous paedophile he was behind closed doors This transformative memoir was born of Amanda s unwavering determination to find her voice and advocate for other survivors of domestic and sexual abuse No Peace Until He s Dead forces us to confront a subject so often obscured by fear and shame and serves as a testament that those who have suffered can overcome their past and find happiness **DYING: NOT DEAD** Dr. Clarence R.
