**Why I Shout Al** Brown, 2021-06-30 Here is a story of a child who lived in the bar scene from a very young age and grew up attending church regularly I then ventured into the street life of Omaha having to learn that life isn't a game as I thought While facing several challenges I soon found out that the choices I make can make the difference between life and death So thank you for choosing to follow me through my journey Open your hearts and minds as you'll begin to realize that there is a better life than what we tend to think We can live life to the fullest but we can't make it on our own I've written this book in hopes that

through my life experiences it may be able to encourage others that if you don't like the way your life is going it can be changed by the renewing of your mind. We can make lemonade out of lemons. And I understand that by writing this book people may see me in a different light that could be challenging for them to recognize me as the person I have become. If that is you well, you have picked the right book. I have always been the type of person who speaks his mind and now that mind is the mind of transformation. So come and follow me as I show you how my life has changed from a thug life to moving toward an abundant life full of love, joy, peace, purpose, power, and destiny in order to find out why I shout **American**

*Perfect Dream* Dr. Kamal Bewar, 2024-05-31 A Kurdish boy grows up in a peaceful village in Kurdistan Iraq. His life in his small village with a large family in their two room mud brick home is happy and peaceful. He experiences all the joys, triumphs and activities of a young boy growing up in the country complete with sheep dogs, family farming and broken bicycles. Unfortunately his life is systematically disrupted by military raids, the deaths of loved ones, economic government oppression and violent prejudice against his people. These trials ignite a spark of passion for finding out the true history of his people as he strives for the peace, security and hope that he held as a child. The new knowledge fuels the flames and drives him to assist in clandestine missions against the Iraqi Army. With new vigor the flame bursts into a bonfire in his soul as he takes the next step to join the secret resistance forces of Kurdistan and becomes a Peshmerga or one who stands in front of death. He spends years resisting government oppression, sometimes winning but always walking, sometimes running. Through captures, betrayals, surrenders, prisons and escapes he continued to hold onto his dream that he would find the peace and opportunity that he had enjoyed as a boy. This was the one bright dream that kept his feet moving and his heart pumping when all else seemed hopeless. His years of resisting the oppression of his people in search of the dream that he wanted for himself, his family and all the people of Kurdistan are an inspiration to those who feel that they are just one person fighting against giants. His story stands as a testimony of what happens when you believe you have a mission in life and you never give up hope. **Driver**, 1986
