SPRING 2021 - SPRING 2024

COMMON ENTRANCE (CE) 13+ SUBJECT GUIDE FOR FAMILIES: SCIENCE

CE 13+ exams are taken by pupils at the end of their entrance application to senior independent schools for entry into Year 9. Pupils in one of the following year groups are invited to CE 13+ exams, being well-travelled and able:

The guide focuses on explanation of the CE 13+ Science exam structure and knowledge and skills we recommend, and what you should expect. We cannot offer individual advice on any particular subject or provide answers to specific questions. We have to follow national standards and regulations for the exam.

COMMON ENTRANCE (CE) 13+ SCIENCE EXAM STRUCTURE

The CE 13+ Science exam is designed to assess pupils' ability to:

- Recall factual information and demonstrate their knowledge and understanding
- Apply their knowledge to familiar and new contexts, including processes and applications
- Recognise the wider importance of their knowledge and understanding to science and to society

The exam will contain questions about practical techniques and scientific processes, including another two parts:

- Recall information and demonstrate their knowledge and understanding
- Analyse, interpret, explain and evaluate a scientific method
- Complete a results table and draw conclusions from the results

A maximum of 20% of the marks in each paper will be based on a 'Thinking and Writing as a Scientist' section of the CE 13+ Science qualification. This will encourage pupils to think about scientific processes and evidence in their own words, considering the validity and value of their own and others' evidence and conclusions.

The exam papers will use a variety of 'question types' which indicate the type of response to expect from the pupils at the exam.

COMMON ENTRANCE (CE) 13+ SCIENCE

The CE 13+ Science exam can be taken at other Postgraduate or Foundation schools. The Foundation can bring together more academic questions in comparison to others. Your child's school should not usually make the decision after discussing it with prospective senior schools and providing their own advice.
