1993 TSR Master Catalog TSR, Inc,1993 **Monthly Catalog of United States Government Publications**,2002-07 **The Well-Gardened Mind** Sue Stuart-Smith,2020-07-07 One of Garden Gun s Favorite Books of 2020 A distinguished psychiatrist and avid gardener offers an inspiring and consoling work about the healing effects of gardening and its ability to decrease stress and foster mental well being in our everyday lives The garden is often seen as a refuge a place to forget worldly cares removed from the real life that lies outside But when we get our hands in the earth we connect with the cycle of life in nature through which destruction and decay are followed by regrowth and renewal Gardening is one of the quintessential nurturing activities and yet we understand so little about it The Well Gardened Mind provides a new perspective on the power of gardening to change people s lives Here Sue Stuart Smith investigates the many ways in which mind and garden can interact and explores how the process of tending a plot can be a way of sustaining an innermost self Stuart Smith s own love of gardening developed as she studied to become a psychoanalytic psychotherapist From her grandfather s return from World War I to Freud s obsession with flowers to case histories with her own patients to progressive gardening programs in such places as Rikers Island prison in New York City Stuart Smith weaves thoughtful yet powerful examples to argue that gardening is much more important to our cognition than we think Recent research is showing how green nature has direct antidepressant effects on humans Essential and pragmatic The Well Gardened Mind is a book for gardeners and the perfect read for people seeking healthier mental lives *Western Land Owner* ,1884
