this size I wouldn't be able to share with you ALL of my grumps But I've decided to write down some of the secret thoughts that beset a woman of a certain age some of the wicked things that occur to a woman who takes a lot of things to the dry cleaners has to have her roots done every four weeks and finds it hard to wear high heels And guess what they still fancy people still have silly little crushes on people at work still shock horror have sex You will discover that women of a certain age are just as provocative and turned on as women in their twenties Probably more so So get over it Middle aged women are sexy funny and infinitely lovable They are also taking over the world *Computers & Electronics* ,1982 Popular
