Fadeout Dave Brandstetter 1 Joseph Hansen:

Fadeout Joseph Hansen, 2022-01-11 CELEBRATING 50 YEARS OF DAVE BRANDSTETTER With a new Introduction by Michael Nava Published fifty years ago a time when being gay was illegal in 49 out of 50 states Joseph Hansen's first Dave Brandstetter novel shattered stereotypes and redefined the Private Eye novel as we know it Five decades after its original landmark publication Joseph Hansen's *Fadeout* is as fresh and important as ever Preceded only by a handful of gay protagonists in crime fiction Hansen's Dave Brandstetter a ruggedly handsome World War II vet with a quick wit faultless moral compass and endless confidence shattered stereotypes and won over a large reading audience a feat previously considered impossible for queer fiction Set in the mid 1960s *Fadeout* centers on the disappearance of a southern California radio personality named Fox Olson A failed writer Olson finally found success as a beloved folksinger and wholesome country raconteur with a growing national audience The community is therefore shocked when Olson's car is found wrecked having been driven off a bridge and swept away in a fast moving arroyo on a rainy night A life insurance claim is filed by Olson's widow and the company holding the policy sends their best man to investigate The problem is that Olson's body was never found Not in the car Not further down the river As Dave Brandstetter begins his investigation he quickly finds that none of it adds up

Obedience Joseph Hansen, 2023-12-19 The death of a Vietnamese immigrant brings former death claims investigator Dave Brandstetter out of retirement As an insurance investigator Dave Brandstetter built a reputation unraveling suspicious deaths Now well into middle age he has decided to retire for the sake of Cecil the young TV reporter who loves and cherishes him and has too often risked his own life for Dave's work But retirement does not come easily Dave never did it for the money He always had that Nor did he tirelessly work cases in hopes of chasing renown It was always the pursuit of the truth that drove Dave He enjoyed the truth's habit of coming into direct conflict with bigotry allowing him to surprise the small minded along the way It doesn't take much arm twisting then to get Dave back in the saddle when an old friend in the public defender's office asks him to help Andy Flanagan a shiftless young man accused of murdering a Vietnamese businessman to defend the Old Fleet a shantytown of houseboats that has been earmarked for development Beneath the surface of this oil slicked slum lurks an international conspiracy so appalling that Dave will regret postponing his retirement

The Gay Detective Novel Judith A. Markowitz, 2015-02-16 Gertrude Stein called it the only really modern novel form that has come into existence yet the mystery genre was a century old before it featured its first gay main character in a novel Since then gay and lesbian detective fiction has been one of the fastest growing segments of the genre It incorporates gay and lesbian cultural elements and offers crossover appeal Its authors call upon a century of development in the mystery genre while providing new more accurate images of lesbians and gay men than generally found in mainstream literature and popular media This groundbreaking study of gay and lesbian detective fiction examines mystery series and historically significant stand alone novels published since the early 1960s Part I is an overview that describes how these novels make gay

and lesbian life visible and forge new powerful images It also examines how they fit into the larger history of mystery fiction The series analyses in Part II are grouped according to the type of main character police officer private investigator amateur sleuth etc Each section discusses main and secondary characters of that type characteristic themes for the group and more The analyses of individual series cover main characters themes plot points and other elements Comments from authors interviewed for this book play a central role in those analyses Part III lists series spanning themes e g homophobia the closet gay marriage and the novels and series that address each of those themes **The Publishers Weekly** ,2004 *Sequels* Janet G. Husband,Jonathan F. Husband,2009 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series *Murder in the Closet* Curtis Evans,2017-01-11 Before the 1969 Stonewall Riots LGBTQ life was dominated by the negative image of the closet the metaphorical space where that which was deemed queer was hidden from a hostile public view Literary studies of queer themes and characters in crime fiction have tended to focus on the more positive and explicit representations since the riots while pre Stonewall works are thought to reference queer only negatively or obliquely This collection of new essays questions that view with an investigation of queer aspects in crime fiction published over eight decades from the corseted Victorian era to the unbuttoned 1960s **American Book Publishing Record** ,2005 **The Complete Brandstetter** Joseph Hansen,2007 All 12 Dave Brandstetter novels from stellar PI scribe Joseph Hansen collecting in one volume the mysteries that netted their author a Lifetime Achievement Award from the Private Eye Writers of America Brandstetter a hardboiled insurance investigator plies his trade in the hills and valleys of California Extraordinarily for a series of novels begun in the early 1970s he is also openly comfortably and thoroughly unstereotypically gay A landmark series from a recognised giant of the genre *Feminist Bookstore News* ,1999 *Book Review Digest* ,1980
