Resources in Education , 1998-07 **Why We Teach Now** Sonia Nieto, 2015-04-28 Why We Teach Now dares to challenge current notions of what it means to be a highly qualified teacher la No Child Left Behind and demonstrates the depth of commitment and care teachers bring to their work with students families and communities This sequel to Nieto s popular book Why We Teach features powerful stories of classroom teachers from across the country as they give witness to their hopes and struggles to teach our nation s children Why We Teach Now offers us the voices of teachers like 42 year veteran Mary Ginley who wonders Why would anyone with any brains and imagination ever want to be a teacher Who then answers her own question affirmatively It s because somehow even today even with all the insanity all the rules all the poorly designed textbooks all the directives to teach to the test there are kids out there who need good

teachers At a time when politicians policymakers and philanthropists are quick to denigrate teachers work and arrogantly speak for the profession Why We Teach Now offers teachers the room and respect to speak for themselves Once again Nietogives teachers and those who care about education the inspiration and energy to embrace their role as advocates a role that is vital not only for the well being of students but also for the future of the profession and our nation Praise for Why We Teach These pieces reveal the passion and hope that keep people in the classroom Inspiration and information Why We Teach raises our understanding of the dedication that fuels people s commitment to this profession Rethinking Schools This collection of essays written by teachers from across the country demonstrates exactly why there is hope for our public schools Their words reveal why in spite of bureaucracy and low pay they continue to teach This book should be required reading for college students planning to enter the profession Teachers already in the classroom whether for five years or twenty five will be encouraged and inspired VOYA [The Mom Book Goes to School](#) Stacy M.
