God Has Spoken:

God Has Spoken Gerald Bray, 2014-10-31 Christian theology didn't develop in a vacuum. Understanding the story behind the doctrines that have been debated, defined and defended throughout history is crucial for truly understanding the doctrines themselves. In this groundbreaking resource, professor Gerald Bray traces the history of Christian theology from the early church to the modern era. Structured to parallel the order in which orthodoxy gradually matured in response to challenges from both within and without the church, this volume tells the story of how Christians have struggled to understand, confess and worship the triune God through the centuries. Summers, 2015-09-07 This book contains the opening words of a New Message from God. In the pages that follow, God is speaking to humanity anew, providing a warning, a blessing and a preparation for the great change that is coming to the world. God has spoken again at a time of great need and difficulty worldwide. This is a Divine answer to the growing crises of war, unrelenting climate change, religious conflict and human suffering and deprivation now escalating around the world. The New Message from God is a living communication from God to the heart of every man, woman and child on Earth. The Word and the Sound are in the world again. We are living at a time of Revelation. **God Has Spoken to Me...** Susan

Darling, 2014-11-12 This book is divided into two parts. The first part is about women's rights, particularly in the church. I believe some men are still trying to keep women down by using the Bible in the wrong way. God did say to me: Women have a case. Something women need to hear. The second part is a mixture of lessons God has communicated to me about like he wants women in the priesthood. And he asked me to pray for priests right to be married. There are also other lessons in the book that I feel people might be interested in. **God Has Spoken** Theresa A. Campbell, 2014-12-01 How hard is it to

Has Spoken J.I. Packer, 2016-06-16 J.I. Packer maintains that anyone who wants to know God will want to know as much as they can of what is in the Bible. For through it, God reveals himself and his purpose to us, and in it we discover his fellowship and grace. Packer presents the case for the reliability of the Bible and urges us to return with open hearts to reading God's word and to discovering its overwhelming power in our lives. This challenging sequel to *Knowing God* is a great resource for the Christian journey. God Has Spoken J.I. Packer, 2005-01 J.I. Packer maintains that anyone who wants to know God will want
