God I Listened:

God, I Listened Eula Hendrick McClaney, 1988-11-01 *How to Listen to God* Charles F. Stanley, 2002-09-01 Every day we hear dozens of outside opinions from our spouses and our family members to our coworkers and our church community but how can we shift our focus away from the clamor of other voices so we don't miss what God is trying to tell us *How to Listen to God* helps you distinguish God's voice from all the rest Bestselling author Dr Charles Stanley shares the lessons he's learned on his own journey to listening to the God who wants to communicate personally with you including How God gets your attention Four ways God speaks to you The importance of your own spiritual mindset Scriptural guidelines for recognizing God's voice The joys and fruits from listening to God Ten hindrances to hearing God Along the way you'll learn firsthand that just a few minutes of sitting before the God who speaks can transform a life refocus a mind and reset purpose and direction for eternity The sad heart is cheered the confused mind is ordered the pessimistic outlook is eliminated the lonely spirit is befriended the rebellious will is subdued and the drifting seeker is made steadfast Join Dr Stanley as he shows us that we've never been more equipped to confidently hear from God *How to Listen to God* will teach you that God's voice waits to be heard and when we've finally heard it we're launched into the greatest most exciting adventure we could ever imagine

Does God Listen to Rap? Curtis Allen, 2013-11-01 A lot of people think that if there is one style of music in the world that God hates it has got to be rap Some have even gone so far as to call rap An unclean thing before the Lord They don't believe something originally associated with so much evil can ever be redeemed for God's glory Lots of other people love and accept rap as their preferred form of musical expression Many of these who are Christians can't imagine why God would have any issues with rap at least not with songs by believers that encourage and edify them in the faith Who's right And maybe more importantly who cares You should And here's why In the past 30 years rap music has become a vital artistic and cultural force globally and it's showing no signs of slowing down Like it or not you are probably exposed to rap in one form or another on a fairly regular basis If you're interested in this book you may be a believer in Jesus who likes rap a lot and as Christians when we love something that is if you hadn't noticed closely associated with sin and rebellion our justification for being involved with it really does need to go beyond Dude this is good stuff But maybe you're in a different category Maybe you're a Christian parent concerned that rap music may have a negative impact on your child Maybe you're a youth pastor worried about having a rap concert at his church because of the potential pushback Or maybe you're just a rap fan who is curious to see if there's even any biblical evidence for or against rap To put it simply if you've made it this far this book is probably for you *Does God Listen to Rap* covers two areas First it presents a sociological history of the emergence and development of rap If you enjoy rap and hip hop culture you'll love this part of the book Then the book explores the Scriptures to bring some biblical not just personal or anecdotal resolution to the question of God and rap Ultimately this involves a set of larger questions involving God and the arts This is more than just an apologetic for rap music

this is a biblical way to think about how Christians can be in the world yet not of the world and how they can express themselves to the glory of God So does God listen to rap Come find out Stop Running From God, Listen Jose Sanchez,XTRNL,2022-12-04 Life sucks feeling like God is so far away Are you tired of wondering is God real How do I know He is truly there How can I know for sure He engages in my life How is it possible to have a relationship with someone you can t see Coming across this book is no coincidence What if this is a sign and a divine opportunity for you to take your life to the next step This book will give you basic ideas on how to draw closer to the most powerful force in the universe Topics also include how to read the Bible and if He loves you The content will help you to continue to develop and to be the best version of yourself Stop wasting time and embrace this opportunity towards your next step to finally become closer to GOD **How Does God Listen?** Kay Lindahl,2013-01-21 Multicultural Nondenominational Nonsectarian Endorsed by Protestant Catholic Jewish and Buddhist Religious Leaders Playfully explores with kids how God listens and how learning to listen is important How Does God Listen encourages children to use all of their senses to explore and develop a personal relationship with God How does God listen How do we know God is listening to us Children will find the answers to these questions as they engage their senses while the story unfolds learning how God listens in the wind waves clouds hot chocolate perfume our tears and our laughter The simple yet profound text accompanied by vibrant colorful photographs captures the experiences common to children of all faiths and backgrounds as they begin to understand the many ways God listens to us Filled with wisdom and love How Does God Listen delights the senses and expands the ways we think about God and God s presence in our lives How Do I Know that God is listening I can t See God Well there are lots of things we can t see yet we know they are there How can we know that God listens to us This lively book helps children use all of their senses to explore how God is always present in their everyday lives and is always listening Using simple everyday examples to which children can relate How Does God Listen helps children develop a direct and personal understanding of God How Does God Listen teaches children and the rest of us that God is everywhere and that the world is full of wonder **The Crippled God** Steven Erikson,2011-03 Savaged by the K **But God** Tina Miller,2013-09-27 Have you ever heard someone exclaim BUT GOD and then wonder what they meant This devotional study will teach both seekers and believers the hidden treasures God wants you to uncover with this simple phrase You will go on a comprehensive excursion through the Old Testament as you find out which patriarchs had BUT GOD moments and you will discover significant characteristics of Jesus your Bridegroom Learn how God implements His strategic plans and reveals the message of the Gospel within the BUT GOD verses After reading this book you will understand why the Bible repeats this life altering phrase so often This study encourages you to dive deeper into understanding Gods thoughts character and promises as it mixes biblical texts with personal illustrations Jesus desires a relationship with you His Bride It is now time to pursue knowing Him as much as He has pursued knowing you This is your time of engagement to your heavenly Bridegroom so engage with Jesus on a new level Every BUT GOD verse proves His love

Atheism And The Case Against Christ Matthew S. McCormick, 2012-09-25 Hundreds of millions of people believe that Jesus came back from the dead This cogent forcefully argued book presents a decidedly unpopular view namely that the central tenet of Christianity the resurrection of Jesus is false The author asks a number of probing questions Is the evidence about Jesus as it has been relayed to us over the centuries of sufficient quantity and quality to justify belief in the resurrection How can we accept the resurrection but reject magic at the Salem witch trials What light does contemporary research about human rationality from the fields of behavioral economics empirical psychology cognitive science and philosophy shed on the resurrection and religious belief Can we use contemporary research about the reliability of people's beliefs in the supernatural miracles and the paranormal to shed light on the origins of Christianity and other religions Does it make sense that the all powerful creator of the universe would employ miracles to achieve his ends Can a Christian believe by faith alone and yet reasonably deny the supernatural claims of other religions Do the arguments against Christianity support atheism By carefully answering each of these questions this book undermines Christianity and theism at their foundations it gives us a powerful model for better critical reasoning and it builds a compelling case for atheism Without stooping to condescension or arrogance the author offers persuasive arguments that are accessible thoughtful and new
