The Story of St. Francis of Assisi Elizabeth Wilson Grierson,1927 *The Absence of Myth* Sophia Heller,2012-02-01 In this provocative work Sophia Heller challenges the assumption that we cannot be without myth that myth is necessary to vital soulful living Indeed Heller argues we have been living in a world without myth for a long time The Absence of Myth examines the loss of a religious mode of being in the world and demonstrates how theorists who insist on the presence of myth deny its historical end Absence of myth may seem obvious evidenced by our lack of cult and ritual and by our de animated natural world as well as in the emergence of conceptual thought and psychological awareness which could only arise with the dissolution of a prereflective mythic mode of being in the world But what appears to be straightforward becomes complicated when myth is intentionally conflated with thought and reflection usually in the attempt to cultivate a mythic consciousness that aims to restore meaning to life and assuage the spiritual malaise of contemporary culture Myth cannot rest in peace It must be continually unearthed redefined and recontextualized such that modern and postmodern notions of myth are made to substitute for something that has never been experienced only imagined A New Paradigm of Pentecostal Power Asonzeh F. The Gospel According to Job W. Robert McClelland,2016-09-29 Those who are familiar with McClellands other books know they are in for a thought provoking treat worth cussing and discussing So why he asks should people be interested in a GOSPEL ACCORDING TO JOB For the same reason that the Book of Job is included in the Bible he argues In the wisdom of the Church and under the guidance of the Holy Spirit the Book of Job becomes Sacred Scripture to keep the conversation about God honest McClelland goes on to suggest that Christ is Gods Apology to the world for His questionable behavior in the Old Testament and particularly His need to use Jobs family and their lives as stakes in a wager to bolster His Egos insecurity Gods Apology made flesh in Jesus is His Egos act of Reconciliation not merely forgiving our sins indeed God does not even count them against us Rather God Himself has taken responsibility for His role in creating the problem of our alienation Christs death therefore is an atonement for Gods Sin as well as ours The culmination of McClellands thesis is that God has entrusted this AMAZING Message to us and is once again betting on us to win the bet for Him As usual THE GOSPEL ACCORDING TO JOB is not only a good read but well worth your consideration Genesis Literary Review
