Trees Eldon Adams,2022-11-15 Sometimes the deepest knowledge of God comes from those who had to trust in Him the most What does this book s title Can t See the Forest for the Trees imply A simple answer is The Forest is symbolic of God s Plan revealed in Bible scripture with all of its mystery to be understood and fulfilled with steadfast belief faith and trust in the power of the Holy Trinity God the Father Jesus Christ the Son and the Holy Spirit one for all all for one God s Plan is a work in progress nearing fulfillment The Trees are symbolic of obstacles like gullibility false teaching false prophesy false doctrine apostasy hate lying deceit evil love of money blind speculation and the like all of which are growing rampant in the United States The message reveals Spiritual Blindness as a curse that God has imposed upon His Church for their lack of true faith in Him not unlike the Israelites as they turn away from the New Covenant Law blindly accepting unsuspected guidance from Satan to employ worldly ways and promote apostasy By misguided faith some may be unprotected by the Armor of God and their failing to cultivate the Fruit of the Spirit makes matters worse The author is hopeful that his book will bring awareness of spiritual blindness to summon a repentant reaction for restoration of religious understanding and direction in line with God s real purpose *My Best Selfie the V Factor* Sherree Wilson,2016-07 The V factor in My Best
