**Reach Me with Smiles** Barbara A. F. Brehon, 2014-03-28. Reach Me with Smiles is a useful resource that will enhance teacher effectiveness, merging six approaches that can be used in any teaching context. How do you teach a lesson that will assist with growth? Teachers and leaders stimulate, motivate, involve, love, encourage, and strengthen students. The concept is recommended for teacher development to improve existing skills for independent or group study. Examine how to equip persons who make disciples of others, a core value of Christian ministry. Keep lessons fresh as you remain equipped and updated with what God has called you to do. Consider unique characteristics of God's creation, your students. Discover how to be intentional about teaching others how to demonstrate their faith. Distinguish between disciple and disciple maker as a part of increasing effectiveness. Examine processes to assist Christians with equipping the body of believers. Explore how to escort church members toward becoming more mature Christians. Equip servants to build strong foundations for transformational ministry in the church and community. Uncover practical strategies for the local church or in service to the community. The user-friendly layout considers teacher preparation as a process, offers suggestions to help teachers self-evaluate regularly, and provides a ready reference for specific skills with confidence. The investment of teaching training and equipping saints enriches and empowers Christian education. Reach Me with SMILES is a handy source for developing and nurturing spiritual growth, changing lives, and winning souls for the kingdom. Teachers, leaders, or anyone exploring teaching will be edified and empowered to sail away reaching others for Christ.

*I Could Not Save the Little Bird* Ricki Elks, 2015-06-18. How can I save my loved one? is a question being asked every day by thousands of parents, grandparents, spouses, siblings, and friends who are experiencing addiction in their families. Many spend decades of heartache searching for the answer. A countless number never discover the truth, but one mother did. Ricki Elks tells her story of her loved ones making dangerous life choices and her futile attempts over the years to save them. She shares how her lowest point led to her greatest victory. The crisis of her sons' entrapment by addiction set in motion her quest for answers. She eventually made a decision that was a catalyst into a hopeful life that to her had once seemed hopeless. Ricki Elks does not share theories; she shares experience—the experience of a mother who has been in the battle. She also shares discovered truths that opened her eyes to a better life that was possible. Now her desire is to offer the hope she found to others who are asking the same question she once asked: Can I save my loved one? Through the insightful and thoughtfully prepared recounting of her story, she takes you on a journey that has life.
