Gill, Barbara Cavaness, 2007 *Women in Pentecostal and Charismatic Ministry*, 2016-11-01 Women in Pentecostal and Charismatic Ministry Informing a Dialogue on Gender Church and Ministry co edited by Margaret English de Alminana and Lois E Olena concerns women and Pentecostalism It introduces the way the Pentecostal charismatic movement has been shaped by and has shaped women from its beginning and offers a wide variety of responses to the opportunities and limitations women have experienced in their commitment to religious service Scholars activists leaders and exemplars from a variety of disciplines reflect on the question How have women responded to a religious context that has depended upon their gifts while at the same time limited their voices and perspectives This volume offers missing and or silent voices an important corrective and a way forward to shape gender focused discussions Contributors are Estrela Yvonne Alexander Peter Althouse Linda M Ambrose Melissa L Archer Amy C Artman Denise A Austin Kate Bowler Barbara Cavaness Parks Loralie Robinson Crabtree Naomi Dowdy Margaret English de Alminana Beth A Elizabeth Grant Jacqueline Grey Mimi R Haddad Jennifer A Miskov Stephanie L Nance Lois E Olena Ava Kate Oleson Joy E A Qualls and Zachary Michael Tackett God Forgive Us for Being Women Joy E. A. Qualls, 2018-05-30 The role of women in church leadership is controversial however the Pentecostal tradition and specifically the Assemblies of God has held that women can serve at all levels of church leadership There is no role that is off limits to women Citing their distinctive approach to theology Pentecostals embrace women s leadership in policy but in practice women are often frustrated by the lack of opportunity and representation in leadership roles By exploring the rhetorical history how Pentecostals talk about the role of women the purpose of this book is to expose those rhetorical constraints that create dissonance and discontentment This book explores how Pentecostals use and are used by language that shapes this dissonance and how that impacts the lived reality of both men and women in the Pentecostal tradition A Single Woman's Concerns and Struggles Dr. Bernadine C. Johnson, 2023-11-17 A Single Woman s Concerns and Struggles Reversing the Perception of Exclusion in the Church in the Twenty First Century and Beyond speaks to the many single separated single parent divorced and widowed women who have and are experiencing concerns and struggles that may lead to perceptions of exclusion in the church and community Each church holds various amounts of information from many sources that may assist single women in reversing the perception of exclusion but making the best use of these sources and resources can make a big difference in the life of a single woman Dr Johnson provides insights into the care concerns struggles and perceptions of exclusion and provides a mentoring guide in encouraging inclusion in the local church and community in the twenty first century and beyond The Practice of Prophecy Li Ming Dennis Lum, 2018-03-26 The charisma of prophecy is found throughout the history of the global Pentecostal movement Within the movement prophecy is seen as the communication of an inspired spontaneous revelation

bringing edification to the faith community Despite its prevalence academic research has mostly focused on the biblical theological aspect neglecting the actual contemporary practice This book addresses this gap with a study on the practice of prophecy within the Assemblies of God of Singapore The book investigates the nature purpose and significance of the phenomenon It also identifies theological variables that are correlated with its practice and explicates these relationships The investigation employs the empirical theological method of Johannes van der Ven utilizing both a qualitative and a quantitative study The results provide a rich description of the actual reception delivery and judging of prophecy Significant findings include relationships between prophecy and courage love personality types prayer types and evangelism A New Vision, a New Heart, a Renewed Call David Claydon,2005 *The Messianic Legacy in the Age of Aquarius* Celeste,2007-11 Ever Wonder What Americas Horoscope reveals of our future destiny What the Constellations of the Zodiac convey esoterically How Freemasonry relates to the Mysteries of ancient Egypt and the founding of America What magical significance does our Great Seal present in its arcane symbolism Where Jesus was for the missing 20 years of Biblical history What the Dead Sea Scrolls found in 1947 reveal about Jesus What is Israel s role is in the Last Days scenario What became of the lost Ten Tribes of Israel Will Jesus really return to Earth in our lifetime Who the Lord and Master of the Universe really is How accurate the Holy Bible is according to historical events Wonder no more We are now at the precipice of a new Age of spiritual awakening Great Ages seem to produce mighty accomplishments in the arts and sciences and as well penetrating visions from the prophets of the time The Age of Aquarius starts off the seventh historical Millennium of our Creator God His symbolic day of rest His Sabbath Encoded in the circle of the Zodiac is a story of a Redeemer the Redemption and the Redeemed as the Zodiac intimately reflects Bible prophecy and is in complete accordance with prophecies of the ancient Patriarchs and Prophets Soon the Angels trumpets will sound and call us to prophesy and collect our Legacy **Pastoral Letter to Theo** Paul Elbert,2008-01-01 A Pastoral Letter to Theo addresses some of the fundamental concerns of recent research into biblical interpretation by Adele Berlin and Kenneth Archer It also takes into account the communicative literary and rhetorical techniques that were prominent in the Greco Roman world when the New Testament documents were composed Elbert suggests that attention to levels of context plot repetition and characterization or personification comprise a proper method for understanding a New Testament writer s original meaning and intent Generally the potentially groundbreaking thesis in much of Elbert s work is for a literary link between the Spirit language in Paul s letters and the later narrative of Luke Acts Specifically A Pastoral Letter to Theo reflects heartfelt pastoral concerns based on detailed contextual study of early Christianity and Christian experience The book contextually examines in detail several passages pertaining to the ministry of women in missionary minded early Christianity and concludes that this ministry was thought to be vital for the evangelistic enterprise **Religious Leadership** Sharon Henderson Callahan,2013-05-20 This 2 volume set within The SAGE Reference Series on Leadership tackles issues relevant to leadership in the realm of religion It explores

such themes as the contexts in which religious leaders move leadership in communities of faith leadership as taught in theological education and training religious leadership impacting social change and social justice and more Topics are examined from multiple perspectives traditions and faiths Features Benefits By focusing on key topics with 100 brief chapters we provide students with more depth than typically found in encyclopedia entries but with less jargon or density than the typical journal article or research handbook chapter Signed chapters are written in language and style that is broadly accessible Each chapter is followed by a brief bibliography and further readings to guide students to sources for more in depth exploration in their research journeys A detailed index cross references between chapters and an online version enhance accessibility for today s student audience [The Pentecostal Gender Paradox](#) Joseph Lee Dutko,2023-11-16

The distinct subjects of eschatology and gender equality have seen an explosion of interest in recent decades particularly within Pentecostal scholarship Pentecostalism is regarded ideally as both an eschatological and egalitarian movement However many Pentecostals have lamented the inconsistency between the early egalitarian impulse of the movement and its current restrictive practices This situation has been described as the so called Pentecostal gender paradox referring to the conflicting freedoms and limitations experienced by Pentecostal women Pentecostals have also recognized the waning eschatological fervor within the movement and its shifting eschatological convictions leading to calls to rediscover the eschatological heart of the movement Despite the renewed interest in both eschatology and women s equality little research has been done to put these two areas into conversation with each other eschatological convictions are often absent in the debate on gender roles in the church For Pentecostals eschatology has often been about urgency in saving souls rather than attending to social issues but could Pentecostal eschatology be the key to re discovering greater equality for women in the church Is the waning of both eschatology and women s equality within Pentecostalism potentially interrelated For over one hundred years the role of women in Pentecostalism has been debated without a firm consensus By examining gender solely through an eschatological lens in history Scripture and praxis this work provides a valuable and creative contribution to one of the most important theological and global issues of our time women s in equality This book is also one of the first comprehensive studies to approach a single social issue solely through an eschatological lens and to provide attention to developing a thorough and methodologically connected eschatological praxis By uncovering the unified eschatological egalitarian narrative thread within both the Pentecostal and biblical story this work suggests that the present end of women s inequality begins with fidelity to the future eschaton of gender equality *Asian Journal of Pentecostal Studies, Volume 20, Number 2* Dave Johnson,2018-11-20

THE JOURNAL SEEKS TO PROVIDE A FORUM To encourage serious theological thinking and articulation by Pentecostals Charismatics in Asia to promote interaction among Asian Pentecostals Charismatics and dialogue with other Christian traditions to stimulate creative contextualization of the Christian faith and to provide a means for Pentecostals Charismatics to share their theological reflections **Who Leads?** Jane L.
