Ginger Scott, 2016-03-29 Casey Coffield has a growing list of personal flaws he keeps locked away in his head He's never on time His list of IOUs to his best friend is endless Money is always short Goals are never in reach Oh and he's decided to add college drop out to that list too He doesn't really think that last one's such a bad thing but his family insists it is so it stays on the list On paper he's a zero But in person when he's mixing tracks for a sea of bodies at the hottest clubs and parties he's downright irresistible Just right stubble on his chin body of a boxer and a smirk that stimulates all the right nerves women have never been a problem They flock to his swagger and fall for his charm fast All except for this one Purple hair gray eyes a raspy voice and sass Murphy Sullivan is a little bit country and a little bit rock n roll And her and Casey They have history He

can't remember it but she wrote a song about him and it's not exactly a love song. But it is good. Damn good. And uncovering her inspiration just might be the key to solving a few of his shortcomings, not to mention open doors to his own big break in the music industry. But sometimes dreams get messy when they collide. Sometimes life changes patterns. A past paints the wrong picture and futures get cloudy. The only question that remains is who will you choose when the dust settles: you or the girl of your dreams.

Waiting on the Sidelines Ginger Scott, 2013-04-14. Nolan Lennox had things figured out. Named after a baseball legend, she enjoyed being the Tomboy, her closet filled with her brother's hand-me-downs, cut-off jeans, and soccer shorts. But when her first trip to high school results in a broken heart from the first boy to ever make her heart flutter and cruel words from an older girl, she once thought a family friend, Nolan, starts to question the very person she thought she was and wonders if her humble upbringing can compete with the afforded luxuries of her privileged peers. Throughout the next four years, Nolan struggles to maintain herself throughout her path of discovery, learning just how cruel teenagers can be through the pressures of underage drinking, sexuality, and class. And despite how life seems to continue to work against her, she still manages to listen to her heart, falling deeper and deeper for the guy the entire town adores, even if he only sees her as a friend. Can Nolan strike a compromise between her own integrity and the boy she loves? And can she make him notice her before it's too late?

Reed Johnson came to Coolidge High School with a lot of fanfare. The son of a hometown football legend and the brother of a local football hero, Reed wore all the pressures of carrying a town without hope into the spotlight. Thankfully, he had the talent to back it up. But when he meets a girl who makes him think twice about exactly what being a hero means, he starts to wonder if following in his brother's footsteps might be all wrong. Nolan Lennox was everything that was opposite of expected. She didn't flirt, she didn't drink, and she didn't sleep around. Nothing about her was easy, but something about her made Reed want to try harder. Though she didn't look the part, she seemed to be spending a lot of time in Reed's thoughts, and he wondered if she could be the one who made it all worthwhile. But could Reed handle letting her down? And would breaking her heart break him beyond repair?
