Interview is a process of elimination or rejection and not selection. An interviewer keeps rejecting until he reaches the best candidate available. But how does he do that? The answer is simple i.e. through a series of organized questions which are created after psychological and real life research and experience and trust me no matter how good you are if you are not prepared for each of these questions before meeting your recruiter 95% chances are you won't be able to make it. In order to make it to your dream job one must not only know what to say but more importantly must also know what not to say. This book equips you with the technique to handle such questions with ease and show your recruiter that you are prepared for any challenge whatsoever. Every question is explained according to the expectation of recruiter and the message a recruiter perceives from the wrong or improper answers along with sample answer from real life interview scenarios. **Top Answers to 121 Job Interview Questions** Joe C.
