Beeronomics Johan Swinnen, Devin Briski, 2017-08-25 From prompting a transition from hunter gatherer to an agrarian lifestyle in ancient Mesopotamia to bankrolling Britain s imperialist conquests strategic taxation and the regulation of beer has played a pivotal role throughout history Beeronomics How Beer Explains the World tells these stories and many others whilst also exploring the key innovations that propelled the industrialization and consolidation of the beer market At the same time when mega mergers in the brewing industry are creating huge transnationals selling their beer across the globe

the craft beer movement in America and Europe has brought the rich history of ancient brewing techniques to the forefront in recent years But less talked about is the economic influence of this beverage on the world and the myriad ways it has shaped the course of history Beeronomics covers world history through the lens of beer exploring the common role that beer taxation has played throughout and providing context for recognizable brands and consumer trends and tastes Beeronomics examines key developments that have moved the brewing industry forward Its most ubiquitous ingredient hops was used by the Hanseatic League to establish the export dominance of Hamburg and Bremen in the sixteenth century During the late nineteenth century bottom fermentation led to the spread of industrial lager beer Industrial innovations in bottling refrigeration and TV advertising paved the way for the consolidation and market dominance of major macrobreweries like Anheuser Busch in America and Artois Brewery in Belgium during the twentieth century We re now in the era of global integration one multinational AB InBev claims 46% of all beer profits but there s a counterrevolution afoot of small independent craft breweries in both America Belgium and around the world Beeronomics surveys these trends giving context to why you see which brands and styles on shelves at your local supermarket or on tap at the nearby pub *Konstantinovka - A Mennonite village in the Soviet Empire. Fodor's, 1991 Russian Talk Nancy Ries, 1997 As one of the first Western ethnographers working in Moscow Nancy Ries became convinced that talk is one crucial way in which Russian identity is constructed and reproduced Listening to the grim stories people used to characterize their lives during perestroika and encountering the florid pessimism with which Muscovites described the unraveling of Soviet governance Ries realized that these dire tales played a crucial role in fabricating a sense of shared experience and destiny While many of the narratives aptly depicted the chaotic social and political events they also promoted key images of Russianness and presented Russian society as an inescapable realm of injustice absurdity and suffering At the height of perestroika in the early 1990s Moscow residents commonly used the phrase complete ruin to refer to the disintegration of Russian society encompassing in that phrase the escalation of crime the disappearance of goods from stores the fall of production ecological catastrophes ethnic violence in the Caucasus the degradation of the arts and the flood of pornography Ries argues that such stories became a genre of folklore consistent in their lamenting portentous tone and their dramatic culturally poignant details
