

Assignment — Functional Writing

(Suggested time: 40 minutes)

Situation

In recent years, there has been an ongoing debate regarding the amount of free speech that should be permitted on social media platforms. In April 2022, Elon Musk, the billionaire owner of Tesla, purchased Twitter for \$44 billion. Mr. Musk has indicated that he would like to “transform” the platform by promoting more free speech and giving users more control over what they see on it.

In general, some experts are concerned about harmful and manipulative behaviours on the internet persisting and getting worse. Since the early 2000s, social media has been used more and more to influence the public for economic and political gain. There has also been a substantial increase in “fake news.”

You are Darcy Jones, a grade 10 student at Clifford Stronach High School in the town of Abbotsville, Alberta. The local school district is considering implementing a high school course (for credit) for all grade 10 students that focuses on social media use, including online etiquette and evaluating online sources. Mr. Jeffrey, the principal at your school, has asked for student feedback about the proposed program.

Assignment

Write a business email to Mr. Jeffrey expressing your views on the proposed social-media course. Clearly express why the school district should implement such a course, what the course should consider covering (and why) as well as how a program such as this would benefit students, the school, and possibly the community.

In your writing, be sure to:

- **IDENTIFY** the **PURPOSE** of your email
- **EXPLAIN** the details of the situation
- **ORGANIZE** your thoughts appropriately in sentences and paragraphs
- Use **VOCABULARY** that is appropriate and effective
- **SIGN** your email “Darcy Jones” **DO NOT SIGN YOUR OWN NAME!**
