Harry Potter – this name is familiar with all the age groups in the universe today and the ground behind it is good known to all of us. The Harry Potter book series written by a individual female parent J. K. Rowling, who wouldn't have imagined in her wildest dreams that a narrative she thought of while going in a train, would derive so much popularity. So much so that her character and her name would go a family name across the Earth! J. K. Rowling Harry Potter books came into the market in 1998.

The first portion called Harry Potter and the Sorcerer's Stone gained a batch of popularity with the childs and easy with the grownups excessively. Due to its immense success it was converted into a gesture image as good and so the first film when on to let go of in the twelvemonth 2001. Subsequently the other parts ( books ) were out in the market and the films started let go ofing every bit good. Of class it was after the colossal success of the initial books that J. K. Rowling was encouraged to compose on the farther parts.

So what is it in Harry Potter that attracts so much attending? Or what is it that makes people want to read a 600-700 pages long book once more and once more. This isn't merely a individual book we are speaking about, but every book in the series is read all over once more by people repeatedly. These books tell us the narrative of an orphan, Harry who lives with his aunt Petunia and uncle Vernon, and non to bury his immense sized cousin Dudley with a nut sized encephalon. He leads a suffering life until the he turns 11, when he realizes that he is really a ace.
