His Royal Cougar:

The Quest for the Eastern Cougar Robert Tougias, 2011-08-26 Is There This Beast In Our Midst What is it about cougars Why does this phantom of the eastern woods stimulate such passion among so many people For decades wildlife biologists have been telling us that they do not exist east of the Mississippi and yet each year there are hundreds of people claiming to have seen one Is there any truth to these claims or are they misidentifications wishful thinking or tall tales Nature writer Robert Tougias journeys deep into the world of the cougar and into the reasoning of those that believe they exist and those that do not The Quest For The Eastern Cougar Extinction or Survival is an informative voice of reason that quiets the confusion regarding the powerful predator It tells us about the cats historic demise and alleged modern human encounters The scientific explanations as to why one ought to believe or dismiss the cougars presence are unraveled It discusses the ultimate question whether or not cougars have survived in the East or have already left us No matter what you choose to believe cougars are likely to continue to make the news Cougars are turning up in unthinkable places these days attacks are becoming more frequent out West eastern sightings have increased and are beginning to offer better evidence We will be hearing much more about these powerful carnivores and in the not too distant future we will see more of them Are there cougars lurking in your back woodlot Is the East ready for this magnificent predator In this readable well researched book Robert Tougias has made a valuable and timely contribution to the public and scientific discourse about mountain lions in the East and the potential for their recovery This book deserves to be widely read by conservationists researchers policy makers and anyone interested in America s lion Christopher Papouchis Conservation Biologist Mountain Lion Foundation Sacramento CA Robert Tougias sheds much needed light on one of Americas most intriguing wildlife mysteries This book is for anyone whos ever wondered about the creatures that haunt our forests and our collective imagination David Baron Author *Beast In The Garden* Norton Publishing Cougars Claire Irvin, 2011-03-17 Caroline Walker has it all At 42 her immaculately groomed looks and toned body belie her age She s wife to City trading sensation Les Walker mother to their teenage daughter Zoe and a successful international entrepreneur with a string of luxury accessory boutiques But when Caroline learns that Les has been having an affair her perfect world falls apart Now divorced Caroline is unexpectedly single something she hasn t been in a very long time With the help of Maryanne her outgoing and ex Hollywood starlet friend she is introduced to a hectic social life and Caroline discovers her missing twenties and the young men she should have been dating then too including the beautiful sensitive male model Adam who is almost the same age as her daughter But when she finds herself in a situation she thought she d never have to worry about Caroline has to answer some big questions about her life again *Cougars on the Cliff* Maurice Hornocker, 2023-07-01 Maurice Hornocker is recognized worldwide as the first scientist to unravel the secrets of America s most enigmatic predator the mountain lion A story of redemption this book is a memoir about the never before told adventures challenges and controversies surrounding Hornocker s groundbreaking study

of cougars in the remote reaches of the Idaho Primitive Area North America's biggest cat was once killed for bounty dollars slaughtered with impunity and driven toward extinction But today's cat of intrigue despite our lingering fears and misconceptions has returned to much of its native range in the western United States and gained respect as a predator integral and necessary to wild ecosystems This turnaround was triggered by one man Maurice Hornocker Cougars on the Cliff recounts the early years of his research 1964-1973 when he tracked lions following a dog's nose and footprints in the snow before telemetry was available Hornocker was first to learn that mountain lions living in stable populations limit their own numbers through territoriality and a concept he called mutual avoidance This insight flew in the face of long held beliefs that cougars were prolific and wanton killers that needed to be controlled as vermin Thanks to Hornocker's work today cougars can be found throughout the West and have even started to reclaim their place in New England

Capitals, Aristocrats, and Cougars Alan Livingstone MacLeod, 2021-10-05 A fascinating and in depth look at Victoria's largely unknown professional hockey players in the early twentieth century and the historical context in which they played For most hockey fans hailing from Canada's westernmost province the sport's most coveted prize the Stanley Cup has remained frustratingly elusive for nearly a century But what many people do not know is that the west coast and in particular the city of Victoria was once a hockey mecca where superstars flourished Hall of Famers were made and big victories yes even the Stanley Cup of 1925 were won Capitals Aristocrats and Cougars is a deep dive into the world of professional hockey in Victoria from 1911 to 1925 an era that saw forty nine men take their turns in one of the city's newly minted teams It was also an era of unprecedented social economic and political change a period that spanned the First World War and redefined Canada's national identity With meticulous research and encyclopedic knowledge author historian and consummate hockey fan Alan Livingstone MacLeod chronicles the key players coaches arena builders and team visionaries who contributed to this long forgotten chapter of hockey history and puts them all in the context of what was going on in the world at the time This in depth account is sure to delight history buffs and hockey fans alike

Yellowstone Cougars Toni K. Ruth,Polly C. Buotte,Maurice G. Hornocker,2019-09-23 Yellowstone Cougars examines the effect of wolf restoration on the cougar population in Yellowstone National Park one of the largest national parks in the American West No other study has ever specifically addressed the theoretical and practical aspects of competition between large carnivores in North America The authors provide a thorough analysis of cougar ecology how they interact with and are influenced by wolves their main competitor and how this knowledge informs management and conservation of both species across the West Of practical importance Yellowstone Cougars addresses the management and conservation of multiple carnivores in increasingly human dominated landscapes The authors move beyond a single species approach to cougar management and conservation to one that considers multiple species which was impossible to untangle before wolf reestablishment in the Yellowstone area provided biologists with this research opportunity Yellowstone Cougars provides objective scientific data at the forefront of understanding cougars and large carnivore community structure and management issues in the Greater Yellowstone Ecosystem as well as in other areas where wolves and cougars are reestablishing Intended for an audience of scientists wildlife managers conservationists and academics the book also sets a theoretical precedent for writing about competition

between carnivorous mammals

His Royal Cougar Introduction

In today's digital age, the availability of His Royal Cougar books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of His Royal Cougar books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of His Royal Cougar books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing His Royal Cougar versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, His Royal Cougar books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing His Royal Cougar books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for His Royal Cougar books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of

America, which provides a vast collection of digitized books and historical documents. In conclusion, His Royal Cougar books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of His Royal Cougar books and manuals for download and embark on your journey of knowledge?
