

A sepia-toned historical illustration of a public square. In the center is a large, ornate fountain with water spraying upwards. A crowd of people in 19th-century attire is gathered around the fountain and in the square. In the background, a multi-story building with many windows is visible. Some windows have people looking out. A large flag is flying from a pole on the right side of the building. The overall scene suggests a public event or a busy day in a historical French city.
