

A BRIEF HISTORY OF STARBUCKS

From 2011 year, we mark 40 years and begin the next chapter in our history.

Starbucks had
137,000
employees or
"partners" as they
call them in 2010.

This is twice the
population of
Greenland.

1970s

The first Starbucks opens. The name comes from Herman Melville's *Moby Dick*, a classic American novel about the 19th-century whaling industry.

1980s

Howard Schultz joins Starbucks in 1982. While on a business trip in Italy, he visits Milan's famous espresso bars. Impressed with their popularity and culture, he sees their potential in Seattle.

1990s

Starbucks expands beyond Seattle, first to the rest of the United States, then the entire world. Starbucks becomes a publicly traded company...

2000s

The Starbucks phenomenon continues. As of this writing, Starbucks has more than 6,000 locations in over 30 countries.

Position Trading

Alpha Bull Traders ,2019-08-12 Finally an investing book which isn't an infomercial When you are learning to trade there are 2 types of books that you don't need There are the dry as dust academic books that require a PhD in math to read And then there are the books about a trader who turned 5 000 into 100 million but with no details about how he did it but he'll let you pay thousands of dollars to learn how Here's the deal Position trading is how men like Warren Buffett and Ray Dalio amassed a net worth of tens of billions of dollars By trading a few times per year rather than a few times per day Which is why people who have followed their advice to the letter Have literally made millions of dollars just from doing exactly as the advice suggests No more and no less And many of these people started off as small part time traders like you and I Over the years the team at Alpha Bull Traders has continually refined a position trading strategy which has resulted in untold amounts of profit Using a combination of western technical and fundamental analysis and ancient Japanese candlestick charting techniques we are able to note which days you should and more importantly which days you shouldn't be trading Because here's the big secret which people don't want you to know You only need to trade between 5-15 times a year to make huge profits in the stock market In fact some years have seen huge gains in our portfolio with as little as 3 trades Here's just a fraction of what you'll learn inside How to easily profit from the bear market with one simple fund 95% of beginner investors and trader don't know about it and yet you can easily net 10-12% a year in a bear market The 1 thing new traders miss about

aftermarket trading Get this right and you ll have a huge advantage How to set a proper stop loss so you don t get stopped out prematurely One of the biggest mistakes new traders make is having a stop loss which is too tight Do this instead and you ll profit when the market moves in your favor The zen trader strategy which makes you immune to losses which although rare will occur with any trading plan A useful yet barely known website which breaks company news faster than relying on mainstream news services How to use the other 80 20 rule to profit from short term price movements 3 profit securing lessons to learn from the DOTCOM bubble How to beat the market without spending hours each day monitoring stocks Why a new trader should never trade cryptocurrency and what to trade instead How one trader made 1 4 million in a single day with 1 options trade and why you shouldn t try to replicate their strategy Money management for absolute beginners How to profit from legal marijuana all the upside of cannabis growing companies but without the red tape and volatility and much much more You may have experienced various obnoxious and even misleading advertisements of easy get rich trading strategies This is not one of those You won t have to spend thousands on expensive trading software or magic bullet systems In fact you can get started using an online trading account and use free websites for your information you ll find the best two in Chapter 7 You will build up both your skills and confidence with practical how to approaches All written in plain easy to understand English So if you want to make money in your spare time and have fun while doing it scroll up and click add to cart
