## Hope Entertainer Of The Century:

*Hope* Richard Zoglin, 2014-11-04 Revelatory fascinating The New York Times The first definitive biography of Bob Hope featuring exclusive and extensive reporting that makes the persuasive case that he was the most important entertainer of the twentieth century With his topical jokes and his all American brash but cowardly screen character Bob Hope was the only entertainer to achieve top rated success in every major mass entertainment medium of the century from vaudeville in the 1920s all the way to television in the 1950s 1960s and 1970s He virtually invented modern stand up comedy Above all he helped redefine the very notion of what it means to be a star a savvy businessman an enterprising builder of his own brand and a public spirited entertainer whose Christmas military tours and unflagging work for charity set the standard for public service in Hollywood As Richard Zoglin shows in this entertaining and important book The Wall Street Journal there is still much to be learned about this most public of figures from his secret first marriage and his stint in reform school to his indiscriminate womanizing and his ambivalent relationships with Bing Crosby and Johnny Carson Hope could be cold self centered tight with a buck and perhaps the least introspective man in Hollywood But he was also a tireless worker devoted to his fans and generous with friends Scrupulously researched likely definitive and as entertaining and as important to an understanding of twentieth and twenty first century pop culture as its subject once genuinely was Vanity Fair Hope is both a celebration of the entertainer and a complex portrait of a gifted but flawed man A wonderful biography says Woody Allen For me it s a feast **Focus On: 100 Most Popular English Emigrants to the United States** Wikipedia contributors,

*Shooting Midnight Cowboy* Glenn Frankel, 2021-03-16 Much more than a page turner It's the first essential work of cultural history of the new decade Charles Kaiser The Guardian One of The Washington Post's 50 best nonfiction books of 2021 A Publishers Weekly best book of 2021 The Pulitzer Prize winning journalist and New York Times bestselling author of the behind the scenes explorations of the classic American Westerns High Noon and The Searchers now reveals the history of the controversial 1969 Oscar winning film that signaled a dramatic shift in American popular culture Director John Schlesinger's Darling was nominated for five Academy Awards and introduced the world to the transcendently talented Julie Christie Suddenly the toast of Hollywood Schlesinger used his newfound clout to film an expensive Panavision adaptation of Far from the Madding Crowd Expectations were huge making the movie's complete critical and commercial failure even more devastating and Schlesinger suddenly found himself persona non grata in the Hollywood circles he had hoped to conquer Given his recent travails Schlesinger's next project seemed doubly daring bordering on foolish James Leo Herlihy's novel Midnight Cowboy about a Texas hustler trying to survive on the mean streets of 1960's New York was dark and transgressive Perhaps something about the book's

unsparing portrait of cultural alienation resonated with him His decision to film it began one of the unlikeliest convergences in cinematic history centered around a city that seemed at first glance as unwelcoming as Herlihy's novel itself Glenn Frankel's *Shooting Midnight Cowboy* tells the story of a modern classic that by all accounts should never have become one in the first place The film's boundary pushing subject matter homosexuality prostitution sexual assault earned it an X rating when it first appeared in cinemas in 1969 For *Midnight Cowboy* Schlesinger who had never made a film in the United States enlisted Jerome Hellman a producer coming off his own recent flop and smarting from a failed marriage and Waldo Salt a formerly blacklisted screenwriter with a tortured past The decision to shoot on location in New York at a time when the city was approaching its gritty nadir backfired when a sanitation strike filled Manhattan with garbage fires and fears of dysentery Much more than a history of Schlesinger's film *Shooting Midnight Cowboy* is an arresting glimpse into the world from which it emerged a troubled city that nurtured the talents and ambitions of the pioneering Polish cinematographer Adam Holender and legendary casting director Marion Dougherty who discovered both Dustin Hoffman and Jon Voight and supported them for the roles of Ratso Rizzo and Joe Buck leading to one of the most intensely moving joint performances ever to appear on screen We follow Herlihy himself as he moves from the experimental confines of Black Mountain College to the theatres of Broadway influenced by close relationships with Tennessee Williams and Anaïs Nin and yet unable to find lasting literary success By turns madcap and serious and enriched by interviews with Hoffman Voight and others *Shooting Midnight Cowboy* *Art Sex Loneliness Liberation* and *The Making of a Dark Classic* is not only the definitive account of the film that unleashed a new wave of innovation in American cinema but also the story of a country and an industry beginning to break free from decades of cultural and sexual repression

**Cigarette Lighter** Jack Pendarvis, 2016-01-28 *Object Lessons* is a series of short beautifully designed books about the hidden lives of ordinary things Smokers survivalists teenagers collectors The cigarette lighter is a charged complex yet often entirely disposable object that moves across these various groups of people acquiring and emitting different meanings while always supplying its primary function that of ignition While the lighter may seem at first a niche object only for old fashioned cigarette smokers in this book Jack Pendarvis explodes the lighter as something with deep history as something with quirky

episodes in cultural contexts and as something that dances with wide ranging taboos and traditions Pendarvis shows how the lighter tarries with the cheapest ends of consumer culture as much as it displays more profound dramas of human survival technological advances and aesthetics Object Lessons is published in partnership with an essay series in The Atlantic
