The Joke Is on Us Julie A. Webber, 2018-12-11 This edited volume brings together scholars of comedy to assess how political comedy encounters neoliberal themes in contemporary media Central to this task is the notion of genre under neoliberal conditions where market logics motivate most actions genre becomes mixed Once stable discreet categories such as comedy horror drama and news and entertainment have become blurred so as to be indistinguishable The classic modern paradigm of comedy tragedy no longer holds if it ever did Moreover as politics becomes more economic and less moral or normative under neoliberalism we are able to see new resistance to comedic genres that support neoliberal strategies to hide racial and gender injustice such as unlaughter ambiguity and anti comedy There is also an increasing interest with comedy as a form of entertainment on the political right following both Brexit in the UK and the election of Trump in the U S Several essays confront this conservative comedy and place it in context of the larger humor history of these debates over free speech and political correctness For comedians too entry into popular media now follows the familiar neoliberal script of the celebration of self help with the increasing admonishment of those who fail to win in market terms Laughter plays an important role in shaming and valorizing often at the same time the precarious subject in the aftermath of global recession Doubling down on austerity self help policies and equivocation in the face of extremist challenges right and left politics foils the critical comedian's attempt to satirize and parody its object Characterized by ambiguity mixed genre and the increasing use of anti humor political comedy mirrors the social and political world it mocks parodies and celebrates often with lackluster results suggesting that the joke might be on us as audiences

Year's Best Hardcore Horror Volume 6 Randy Chandler, Cheryl Mullenax, 2021-05-21 WELCOME TO THE MASQUERADE 2020 was a reality horror show And like most obnoxious entertainment reality shows this one had its own idiosyncratic rules and penalties Call it The Big Lockdown We were forced to go to ground to hide in our holes Some went underground and never came back Uncertainty ruled because the rules kept changing Were we following the science or the mad scientists Was the light at the end of the tunnel the fiery mouth of hell We couldn't say for sure so we ventured out for food booze and sundries like scavengers in a slow motion apocalypse keeping our distance from fellow human beings because you never knew who might be carrying that heavy viral load And everywhere we went we went behind the mask So it became obvious The theme of our offering of extreme horror tales from 2020 had to be Masquerade Our masquerading storytellers nevertheless did what they do best They went deep into the belly of the beast and sent up fictions reflective of these trying times Their stories peel away the masks or in some cases the skin to reveal the inner workings of darkest hearts and minds and deeper fears
