Hot Southern Nights Gen Griffin, Trish Shallowman feels like her life has been put on pause She has an ex husband who doesn't understand the meaning of the word ex a career that tanked before she ever worked her first day and a car that breaks down on alternating Wednesdays When Trish's mother asks her to temporarily move to Possum Creek so she can take care of her ailing grandfather Trish figures that a change of scenery can't make her situation in life any worse She wasn't expecting to spend most of her days trying to prevent her grandfather from shooting at the mailman or that her impossibly gorgeous neighbor would decide he wanted to be her first ever one night stand She definitely wasn't expecting that two months in Possum Creek would make her question whether the future she's spent so much time waiting for is really the future she wants

After The Apocalypse Gen Griffin, Read All Three Books In The After The Apocalypse Series It has been 28 years 14 weeks and 9 days since a virus turned more than half of the world's human population into zombies More than 95 percent of the population died within 6 months of the initial infection Those who survived holed up wherever they could find safety Pilar's parents found safety in the Cube a building that was originally built as a prison for violent criminals Her mother always told her the sacrifices they made to live in the Cube were worth it because they were safe Pilar never questioned her safety until the day her parents disappeared without a trace from inside their apartment Thrust unexpectedly into a world where no one can be trusted Pilar has to learn to think on her feet as she's faced with friends who have turned into enemies enemies who have turned into friends prophecies that may or may not be true and the ever present threat of being eaten by zombies Torn between survival and a fate far worse than death the actions Pilar takes will determine the fate of everyone she loves

If Pigs Could Fly Gen Griffin, 2017-03-01 Nothing ever stays calm in Possum Creek for long After watching her husband make out with another woman during her best friend's wedding Katie has been forced to acknowledge that her own happily ever after is more like a B rated horror movie than a fairy tale Katie loves her daughter more than life itself but she's pretty sure that Ian loves his Xbox more than he loves either one of them Addison the man Katie's been secretly in love with from the safety of the friend zone for most of her adult life thinks she's pathetic At least that's what his girlfriend told her Katie doesn't know what her future holds but she knows it's past time for a change She's done wasting her life trying to please Ian while silently lusting after Addy She's ready to move on and leave her feelings for both of them in the past Addison Malone thinks the dust has finally settled after his sister's wedding He couldn't be more wrong The evidence in a rash of burglaries that have struck Possum Creek and the surrounding area make it apparent that he and his friends are being betrayed by someone they've always considered one of their own When Katie makes it clear that she's ready to walk away from him forever Addison is left scrambling to fix their relationship while he's still trying to get to the bottom of the crime spree
