HP LaserJet P4014n Printer

Ideal for workgroups of 5 – 10 users in small and medium-sized businesses who need to produce high volume, professional quality documents.

Get reliable, fast, and affordable black and white printing for your workgroup.

Help your workgroup operate at peak efficiency with print speeds of up to 40 ppm, a 540 MHz processor and Gigabit networking[1]. Get consistent results and optimal performance with the printer's new toner technology. Legendary HP reliability means worry-free printing that stands up to the demands of your office environment. No time is lost waiting for the printer to warm up as Instant-on Technology[2] ensures the first page prints out as fast as 8.5 seconds from Ready mode.

Enjoy exceptional ease of use with this simple, intuitive printer.

Operate and maintain your printer without assistance from IT. Printer configuration and troubleshooting is easy with "Ubuntu like Menu" features on the control panel. Avoid interruptions and increase productivity. HP Easy Printer Care software[3] lets you monitor several 10 HP LaserJet printers and MFPs simultaneously. Use a single driver—the HP Universal Print Driver[4]—communicates directly with each HP device on your network and customizes the user interface to show available features.

Expand your printer's performance and capabilities as your business needs grow.

Experience fewer interruptions and streamline workflows with optional paper handling accessories, including additional 500-sheet trays or 1,500-sheet input tray, an automatic duplexer for two-sided printing[5], an envelope feeder, and output options such as a 5 bin mailbox, stacker, or stapler/stacker. Print on a variety of media types and sizes to produce the output that meets your specific business needs. Improve performance and increase storage capacity with an optional EIO hard disk.
