Hubbard And O'Brien Macroeconomics 4th Edition:

Macroeconomics R. Glenn Hubbard, Anthony Patrick O'Brien, 2012-01-24 For the one semester Principles of Macroeconomics courses at four and two year colleges and universities For a complete multimedia book tour of Hubbard O'Brien Economics 4e [Click Here](#) For a look at the Supply Demand Chapter of this title [Click Here](#) Learn economics through real business examples The number one question students of economics ask themselves is Why am I here and will I ever use this Hubbard O'Brien answers this question by demonstrating that real businesses use economics to make real decisions everyday This is something all students can connect to whether they're business majors or not because students encounter businesses in their daily lives And regardless of their future career path opening an art studio doing social work trading on Wall Street working for the government or bartending at the local pub students will benefit from understanding the economic forces behind their work

Macroeconomics John Lindauer, 2012-12-17 This book explains all the usual macro topics and is easier and faster to read and understand Students who are assigned this text or use it instead of their assigned text tend to learn more and receive higher grades It is available both as an e book and in print This is the fourth edition of Professor Lindauer's ground breaking Macroeconomics series It holds reader interest because it constantly relates the concepts of modern macroeconomics to today's Great Recession and the policies and conditions that brought it about and are needed to end it Professor Lindauer's previous works include books such as Land Taxation and Indian Economic Development with Sarjit Singh various editions of his Macroeconomics series and his ground breaking journal articles such as Stabilization Inflation and the Inflation Unemployment Trade off A non technical explanation of the theories and policies described herein is available as Inflation Unemployment and Government Deficits End Them It is suitable for journalists laymen and lawyers attempting to serve as Federal Reserve governors A related explanation of those theories and policies is available as The General Theories of Inflation Unemployment and Government Deficits It is suitable for professional economists and graduate students Lindauer's books have been translated into Japanese Spanish Korean Hindi Urdu Chinese and Portuguese and his policy suggestions implemented by central banks around the world In addition to serving as Professor of Economics and Chairman at Claremont he has served as a visiting professor of economics at Sussex University and the University of California and as a Distinguished Senior Fulbright Professor at the University of Punjab
