Journal of the Senate of the United States of America United States. Congress. Senate,1973 Subject Guide to Forthcoming Books ,1983 Presents by subject the same titles that are listed by author and title in Forthcoming books *The International System between New Integration and Neo-Protectionism* Mario Baldassarri,Cesare Imbriani,Dominick Salvatore,1996-07-13 The world economy is at a cross road it can either widen and deepen international integration within and between different areas or be tempted by neo protectionism Which road should the international economy take Which

way will it take The need to reform the present international monetary system has been almost continuously discussed since the collapse of the Bretton Woods System in August 1971 and even earlier and it has found renewed interest since the Mexican financial crisis in early 1995 Despite the successful completion of the Uruguay Round in December 1993 many international trade problems remain many sectors were not included in the agreement antidumping action and safeguards are still possible and many trade problems of developing and former communist countries have not been fully addressed This book analyses this situation by first focusing on the problem of international financial stability and the relationship between national economic policies It then focuses on the European monetary union within the context of the international monetary system Finally the development of international trade is examined within an endogenous growth framework *Study Guide, International Economics, 7th Ed., [by] Dominick Salvatore* Arthur Raymond, 2001 **Catalog of Copyright Entries. Third Series** Library of Congress.
