This manual covers the instructions for operation, lubrication, adjustments and maintenance for normal daily care. This manual must be read completely prior to operating this machine, to gain a full knowledge of the machine and its correct normal maintenance and operation.

LEFT and RIGHT indicate the left and right sides of the machine when facing forward in the driver's seat. FRONT indicates the radiator end and REAR indicates the backhoe end of the machine. When ordering service parts, follow the above procedure. When operating the backhoe, the reverse is true, since the operator is facing in the opposite direction.
