Subject: Private Contracting- Definition of Physician/Practitioner

I. SUMMARY OF CHANGES: Prior to enactment of the Medicare Benefits Improvement and Protection Act of 2000 (BIPA), section 1802(b)(5)(C) of the Social Security Act (the Act) did not include registered dietitians or nutrition professionals among the list of practitioners who may choose to opt out of Medicare. Section 105(d) of BIPA amended the definition of practitioner located at section 1842(b)(18)(c) of the Act to include registered dietitians or nutrition professionals. Because section 1802(b)(5)(C) of the Act references section 1842(b)(18)(c) of the Act in order to define the term practitioner for purposes of opting out of Medicare, current law permits registered dietitians or nutrition professionals to opt out of Medicare. Therefore, because the definition of practitioner located in the manual does not include registered dietitians or nutrition professionals, CMS is amending that section so that it is consistent with section 1802(b)(5)(C) of the Act.
