## **Interrupted When Jesus Wrecks Your Comfortable Christianity:**

**Interrupted** Jen Hatmaker, 2014-07-01 The author describes how God interrupted her comfortable faith and awoke in her a holy passion to serve the least the forgotten and the forsaken *Interrupted Workbook* Jen Hatmaker, 2018-03-27 *Interrupted* An Adventure in Relearning the Essentials of Faith Member Book provides the learner a study resource for this young adult Bible study The American Dream and Christianity Aren't the Same Thing God is in the business of interrupting what we think our lives are about Jen Hatmaker argues that we have missed the point confusing Christianity with the American Dream and manipulating Scripture to say what we want it to say *Interrupted* is about freedom from consumer driven Christianity and getting back to the true faith real life real justice real religion Interrupted Jen Hatmaker, 2009 Learn how Jesus can radically interrupt your life and be found where He promised to be with the least among us

*Interrupted* Jen Hatmaker, 2014-07-01 *Interrupted* follows the author's messy journey through life and church and into living on mission Snatching Jen from the grip of her consumer life God began asking her questions like What is really the point of My Church What have I really asked of you She was far too busy doing church than being church even as a pastor's wife an author of five Christian books and a committed believer for 26 years She discovered she had missed the point Christ brought Jen and her family to a place of living on mission by asking them tough questions leading them through Scripture and walking together with them on the path *Interrupted* invites readers to take a similar journey Hijacking Jesus Jason Jimenez, 2023-09-12 Progressives have fabricated a new Jesus so different from the real Savior that their faith can hardly be called Christianity Progressive Christian leaders have abandoned the resurrected Savior of historical Christianity radically reinterpreting Him as a Jewish mystic or a man of God devoid of divine claims and miracles In the postmodern era remaking Jesus has become a deadly temptation The modern Jesus of progressives supposedly friendlier and more accepting than the Savior we know from the Gospels is gaining popularity and acceptance among self-identified Christians But they don't realize that progressive Christianity rejects the biblical revelation of Jesus Christ the Word made flesh *Hijacking Jesus* addresses perennial questions about the nature of Christ and his teaching testing the historical and theological accuracy of progressive Christians Their Jesus is simply no match for the reliability of the four Gospels which are the most credible historical sources for Jesus's life teachings miracles death and resurrection Christians can accept no substitute for the witness of the Gospels and the theological doctrines of the church that Jesus Christ is Lord and Savior Enneagram Theology Rhenn Cherry, 2021-08-16 The enneagram has become popular among evangelical Christians as a spiritualized personality typology that claims to help people better understand themselves and others Several influential evangelical Christian leadership ministries have promoted the enneagram as a tool in forming and maintaining effective ministry teams and the personality typology is now taught and embraced at several Christian universities But uncertainty exists about the appropriateness of referring to the Enneagram as a Christian tool Are pastors and Christian institutional leaders aware of the theology

associated with the Enneagram Enneagram Theology Is It Christian provides a biblical critique of the Enneagram's underlying theology and exposes not only its foundational theological contradictions with orthodox evangelical theology but also some potential dangers to the church

*Get Out of Your Own Way* Dave Hollis, 2020-03-10 The idea that you could be more but got in your own way should wake you up in the middle of the night Dave Hollis used to think that personal growth was just for broken people then he woke up When a looming career funk a growing drinking problem and a challenging trek through therapy battered Dave Hollis a Disney executive and father of four he began to realize he was letting untruths about himself dictate his life As he sank to the bottom of his valley he had to make a choice Would he push himself out of his comfort zone to become the best man he was capable of being or would he play it safe and settle for mediocrity In *Get Out of Your Own Way* Dave tackles topics he once found it difficult to be honest about things like his struggles with alcohol and his insecurities about being a dad Offering encouragement challenges and a hundred moments to laugh Dave will help you Discover the way for those of us who are like he was skeptical of self help but wanting something more than the status quo Drop negative ideas about who we are supposed to be and finally start living as who we really are See our own journeys more clearly as he unpacks the lies he once believed such as I Have to Have It All Together and Failure Means You're Weak Learn the tools that helped him change his life and may change your life too *Get Out of Your Own Way* is a call to arms for anyone who's interested in a more fulfilled life who along the way may have lost their why and now wonders how to unlock their potential or be better for their loved ones

**Staying Is the New Going** Alan Briggs, 2015-09-01 Do you get tired sitting in a pew Have you ever fantasized about traveling to the other side of the world telling people about the good news of Jesus Christ Wake up and look around The world is right here waiting for the Good News to make itself known For too long we've outsourced God's work in the world to missionaries out there at the ends of the earth In reality God wants us to love our neighbor right next door He wants us to pray for the welfare of our zip code to witness to the world outside our window He wants us to be the church the people of God in conversation and meaningful engagement with the people God loves outside the walls of the church The stories in this book will change the way you look at your city and provide insights into how you can be an authentic Christian
