

Vital Remains

A dark, atmospheric scene featuring a wolf silhouette in the center, facing right. The background is a dark forest with silhouettes of evergreen trees. A vibrant, green aurora borealis (Northern Lights) streaks across the sky, creating a strong contrast with the dark surroundings. The overall mood is mysterious and chilling.

Into Cold Darkness:

Cold Trail in the Bitterroots Robert Ostertag,2013-07 This Yarn is about a young cowboy drifting West in the mid 1870s Finding himself looking at winter in the Bitterroot Valley he hired on at a ranch run by an old man and his son While riding the high country searching for strays he stumbles onto a trail that looks like rustlers at work The trail leads to Dillon and some mining towns in the mountains and eventually back at the ranch after some unexpected and dangerous detours About the Author I worked in the trades for over 40 years and wore out parts of my body that kept me from a daily work schedule We got our first computer to assist me with some Online schooling Being very ignorant about computers and my typing was rusty having been fifty years out of high school I started writing Since I was a beginner I fumbled around with Microsoft Works and a dictionary I read my work and edited and reread it time and again A friend told me that after one hundred thousand words things would begin to fall in place We upgraded computer programs ditched the dictionary and after over ten years mostly shelf life I found an interested soul and wouldn't you know it electronic books I hope you enjoy it Enquist Plays: 1 Per Olov Enquist,2014-05-29 The first collection by Sweden's foremost contemporary playwright NIGHT OF THE TRIBADES 1975 centres around the triangular relationship between August Strindberg the actress Marie Caroline David and Siri von Essen It has been translated into twenty languages including a short run on Broadway THE IMAGE MAKERS 1998 deals with Selma Lagerlof's father and his alcoholism whilst THE RAIN MAKERS is a fascinating study of Hans Christian Anderson THE HOUR OF THE LYNX Enquist's play feelingly translated from the Swedish offers a profound exploration of spirituality love and faith within a text that is grippingly dramatic unfailingly absorbing and often upliftingly lyrical At a time when young writers were looking for new forms of literary expression Enquist settled for an investigative style and attempt to reconstruct events reported to have happened but where the truth is often too inaccessible it was a style that was to remain Enquist's literary landmark characterising both his novels and his plays Contemporary World Authors ed Tracey Chevalier
