**Reinventing America's Schools** David Osborne, 2017-09-05 From David Osborne the author of Reinventing Government a biting analysis of the failure of America's public schools and a comprehensive plan for revitalizing American education In Reinventing America's Schools David Osborne one of the world's foremost experts on public sector reform offers a comprehensive analysis of the charter school movements and presents a theory that will do for American schools what his New York Times bestseller Reinventing Government did for public governance in 1992 In 2005 when Hurricane Katrina devastated New Orleans the city got an unexpected opportunity to recreate their school system from scratch The state's Recovery School District RSD created to turn around failing schools gradually transformed all of its New Orleans schools into charter schools and the results are shaking the very foundations of American education Test scores school performance scores graduation and dropout rates ACT scores college going rates and independent studies all tell the same story the city's RSD schools have tripled their effectiveness in eight years Now other cities are following suit with state governments reinventing failing schools in Newark Camden Memphis Denver Indianapolis Cleveland and Oakland In this book Osborne uses compelling stories from cities like New Orleans and lays out the history and possible future of public education Ultimately he uses his extensive research to argue that in today's world we should treat every public school like a charter school and grant them autonomy accountability diversity of school designs and parental choice **Patternalia** Jude Stewart, 2015-10-13 From the author and designer of ROY G BIV a delightful fully illustrated new volume on patterns from polka dots to plaid their histories cultural resonances and hidden meanings **Women in the National Inventors Hall of Fame** Ilene Busch-Vishniac, Lauren Busch, Jill S. Tietjen, 2024-12-13 This book features all the women inducted in the first fifty years of the US National Inventors Hall of Fame Each entry first provides a biography of the inductee and then goes on to describe one or more of their major inventions with descriptions that are accessible to those with little or no formal training in science The evolution of the opportunities available to women in education and the professions becomes evident as the reader moves chronologically through biographies and inventions of the woman Later inductees have received Nobel Prizes for their work and have become members of academies such as the National Academy of Engineering the National Academy of Sciences and the National Academy of Medicine Others have received the National Medal of Science or the National Medal of Technology and Innovation As an important part of the Women in Science and Engineering book series the work highlights the contributions of women inventors inspiring women and men and girls and boys in a variety of scientific fields **Rebuilding New Orleans** Sarah Fouts, 2025-05-09 In the aftermath of Hurricane Katrina Central American and Mexican immigrants arrived in New Orleans to help clean up and rebuild When federal relief services overlooked the needs of immigrant led construction and cleanup crews as part of post Katrina mass feeding strategies street food stands and taco trucks stepped in to ensure food security for these workers Many of these food vendors settled in the city over the next

decade opening restaurants and other businesses Yet in a city experiencing whitewashed redevelopment new immigrants were frequently pitted against Black poor and working class New Orleanians for access to housing and other resources During Fouts's five years as a volunteer with the New Orleans Workers Center for Racial Justice she came to know and interview the day laborers food workers culture producers and community organizers whose stories shape this book Her work reveals how after the storm immigrant communities have culturally and politically reshaped New Orleans and its suburbs Fouts also highlights how immigrants forged multiracial solidarities to foster inclusive change at the local level By connecting migration labor and food Rebuilding New Orleans centers human experiences to illustrate how immigrant and established communities of color resisted criminalization and racial capitalism to create a more just New Orleans

**Educating the Sons of Sugar** R. Eric Platt, 2017-10-10 A study of Louisiana French Creole sugar planters' role in higher education and a detailed history of the only college ever constructed to serve the sugar elite The education of individual planter classes cotton tobacco sugar is rarely treated in works of southern history Of the existing literature higher education is typically relegated to a footnote providing only brief glimpses into a complex instructional regime responsive to wealthy planters R. Eric Platt's *Educating the Sons of Sugar* allows for a greater focus on the mindset of French Creole sugar planters and provides a comprehensive record and analysis of a private college supported by planter wealth Jefferson College was founded in St James Parish in 1831 surrounded by slave holding plantations and their cash crop sugar cane Creole planters regionally known as the *ancien regime* population designed the college to impart a genteel liberal arts education through instruction architecture and geographic location Jefferson College played host to social class rivalries Creole Anglo American and French immigrant mirrored the revival of Catholicism in a region typified by secular mores was subject to the Americanization of south Louisiana higher education and reflected the *ancien regime* population's decline as Louisiana's ruling population Resulting from loss of funds the college closed in 1848 It opened and closed three more times under varying administrations French immigrant private sugar planter and Catholic Marist before its final closure in 1927 due to educational competition curricular intransigence and the 1927 Mississippi River flood In 1931 the campus was purchased by the Society of Jesus Jesuits and reopened as a silent religious retreat It continues to function to this day as the Manresa House of Retreats While in existence Jefferson College was a social thermometer for the white French Creole sugar planter ethos that instilled the sons of sugar with a cultural heritage resonant of a region typified by the management of plantations slavery and the production of sugar

**Renewal** Mark Wild, 2019-03-21 In the decades following World War II a movement of clergy and laity sought to restore liberal Protestantism to the center of American urban life Chastened by their failure to avert war and the Holocaust and troubled by missionaries' complicity with colonial regimes they redirected their energies back home *Renewal* explores the rise and fall of this movement which began as an effort to restore the church's standing but wound up as nothing less than an openhearted crusade to remake our nation's cities These campaigns reached beyond

church walls to build or lend a hand to scores of organizations fighting for welfare social justice and community empowerment among the increasingly nonwhite urban working class Church leaders extended their efforts far beyond traditional evangelicalism often dovetailing with many of the contemporaneous social currents coursing through the nation including black freedom movements and the War on Poverty Renewal illuminates the overlooked story of how religious institutions both shaped and were shaped by postwar urban America

**"The Amazing Iroquois" and the Invention of the Empire State** John C. Winters, 2023 The Amazing Iroquois and the Invention of the Empire State tells the story of a multi generational Iroquoian family from American Revolution to the Cold War who used their peoples history politics and culture to shape how New Yorkers conceived of their own history and self identity *Congressional Record* United States. Congress, 1997 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873

**Lippincott's Gazetteer of the World** , 1880 **This Nonviolent Stuff'll Get You Killed** Charles E Cobb Jr., 2014-06-03 Visiting Martin Luther King Jr at the peak of the Montgomery Alabama bus boycott journalist William Worthy almost sat on a loaded pistol Just for self defense King assured him It was not the only weapon King kept for such a purpose one of his advisors remembered the reverend s Montgomery Alabama home as an arsenal Like King many ostensibly nonviolent civil rights activists embraced their constitutional right to selfprotection yet this crucial dimension of the Afro American freedom struggle has been long ignored by history In This Nonviolent Stuff ll Get You Killed civil rights scholar Charles E Cobb Jr describes the vital role that armed self defense played in the survival and liberation of black communities in America during the Southern Freedom Movement of the 1960s In the Deep South blacks often safeguarded themselves and their loved ones from white supremacist violence by bearing and when necessary using firearms In much the same way Cobb shows nonviolent civil rights workers received critical support from black gun owners in the regions where they worked Whether patrolling their neighborhoods garrisoning their homes or firing back at attackers these courageous men and women and the weapons they carried were crucial to the movement s success Giving voice to the World War II veterans rural activists volunteer security guards and self defense groups who took up arms to defend their lives and liberties This Nonviolent Stuff ll Get You Killed lays bare the paradoxical relationship between the nonviolent civil rights struggle and the Second Amendment Drawing on his firsthand experiences in the civil rights movement and interviews with fellow participants Cobb provides a controversial examination of the crucial place of firearms in the fight for American freedom

**Establishing Religious Freedom** Thomas E. Buckley, 2014-01-13 The significance of the Virginia Statute for Establishing Religious Freedom goes far beyond the borders of the Old Dominion Its influence ultimately extended to the Supreme Court's interpretation of the separation of church and state In his latest book Thomas Buckley tells the story of the statute beginning with its background in the struggles of the colonial dissenters against an oppressive Church of England When the Revolution forced the issue of religious liberty Thomas Jefferson drafted his statute and James Madison guided its passage through the state legislature Displacing an established church by instituting religious freedom the Virginia statute provided the most substantial guarantees of religious liberty of any state in the new nation The statute's implementation however proved to be problematic Faced with a mandate for strict separation of church and state and in an atmosphere of sweeping evangelical Christianity Virginians clashed over numerous issues including the legal ownership of church property the incorporation of churches and religious groups Sabbath observance protection for religious groups Bible reading in school and divorce laws Such debates pitted churches against one another and engaged Virginia's legal system for a century and a half Fascinating history in itself the effort to implement Jefferson's statute has even broader significance in its anticipation of the conflict that would occupy the whole country after the Supreme Court nationalized the religion clause of the First Amendment in the 1940s
