Dilemmas of Desire Deborah L. TOLMAN, Deborah L Tolman, 2009-06-30 Be sexy but not sexual Don't be a prude but don't be a slut These are the cultural messages that barrage teenage girls In movies and magazines in music and advice columns girls are portrayed as the object or the victim of someone else's desire but virtually never as someone with acceptable sexual feelings of her own What teenage girls make of these contradictory messages and what they make of their awakening sexuality so distant from and yet so susceptible to cultural stereotypes emerges for the first time in frank and complex fashion in Deborah Tolman's *Dilemmas of Desire* A unique look into the world of adolescent sexuality this book offers an intimate and often disturbing sometimes inspiring picture of how teenage girls experience understand and respond to their sexual feelings and of how society mediates shapes and distorts this experience In extensive interviews we listen as actual adolescent girls both urban and suburban speak candidly of their curiosity and confusion their pleasure and disappointment their fears defiance or capitulation in the face of a seemingly imperishable double standard that smiles upon burgeoning sexuality in boys yet frowns even panics at its equivalent in girls As a vivid evocation of girls negotiating some of the most vexing issues of adolescence and as a thoughtful richly informed examination of the dilemmas these girls face this readable and revealing book begins the critical work of understanding the sexuality of young women in all its personal social and emotional significance

Chalice of the Mystic Rose Carol Calvert, 2017-02-13 Centuries ago in what is now called Ireland lived a Druid mystic named Beitha This sequel to *Beitha's Sound* *Chalice of the Mystic Rose* chronicles the lives of Beitha a sound healer and Druid and her friend Jenny who is a Christian Beitha's mother has been killed by the Zealots who are determined to destroy the power of women and the Goddess These same Zealots are now after Beitha who they believe carries powerful knowledge As this story begins Beitha is healing from a serious wound inflicted by the Zealots Jenny has taken her to the most powerful healer in the land When she and Jenny are forced to part ways Jenny heads to Father Padraig's monastery where she pursues her unique gifts During her travels Beitha encounters a new friend Deirdru Both are guided to the sacred land of Glastonbury There Beitha learns the ancient secrets of the chalice of the mystic rose Along the way these young women are beset with profound challenges Their playful comradeship courage and skills along with help from various human animal and fairy guides leads them to their ultimate destinies

Fieldwork in the Global South Jenny Lunn, 2014-03-26 Choosing to do fieldwork overseas particularly in the Global South is a challenge in itself The researcher faces logistical complications health and safety issues cultural differences language barriers and much more But permeating the entire fieldwork experience are a range of intermediating ethical issues While many researchers seek to follow institutional and disciplinary guidelines on ethical research practice the reality is that each situation is unique and the individual researcher must negotiate their own path through a variety of ethical challenges and dilemmas This book was created to share such experiences to serve not as a manual for ethical practice but rather as a place for reflection and mutual

learning Since ethical issues face the researcher at every turn and cannot be compartmentalized into one part of the research process this book puts them at the very center of the discussion and uses them as the lens with which to view different stages of fieldwork The book covers four thematic areas ethical challenges in the field ethical dimensions of researcher identity ethical issues relating to research methods and ethical dilemmas of engagement with a variety of actors This volume also provides fresh insights by drawing on the experiences of research students rather than those of established academics The contributors describe research conducted for their master s degrees and doctorates offering honest and self critical reflections on how they negotiated ethical challenges and dilemmas The chapters cover fieldwork carried out in countries across Africa Asia and Latin America on a broad sweep of development related topics This book should have wide appeal to undergraduates postgraduates and early career researchers working under the broad umbrella of development studies Although focused on fieldwork in the Global South the discussions and reflections are relevant to field research in many other countries and contexts

Portrait of Jenny Maurice S. Rawlings,2008-11 An oil painting The Portrait of Jenny divides two brothers in life and two sisters in death The brothers one a priest and one a physician each vie for the love of Jenny one of the sisters The priest unknowingly paints his love into Jenny s portrait Then to prove that he loves God more the priest joins the Vatican in Rome The physician meanwhile yields to whims and marries Jenny having amassed a great fortune by modifying growth hormones until they engender perpetual youth perhaps opening the door to the Holy Grail On the other side of the world where the Pope is dying from

cancer Father Anthony Cochran strives to thwart secular forces from swaying the next Papal election An intriguing battle ensues behind the scenes which unites two crime families that separately target the two brothers Although resembling the story of Cain and Abel the Biblical prophesy seems unfulfilled until Brett Ding first reaches vengefully from the grave to consume his own brother Years later the story is exposed when a newspaper reporter writes an article on the award winning Portrait of Jenny which today hangs in the National Museum of Art in the nation's capitol
