Readers' Guide to Periodical Literature ,1910 **Readers' Guide to Periodical Literature** Anna Lorraine Guthrie,Bertha Tannehill,Neltje Marie Tannehill Shimer,1910 Monthly Catalog of United States Government Publications ,1983-05 **The New York Times Index** ,2009 **Biography Index** Bea Joseph,1991 A cumulative index to biographical material in books and magazines **The Wall Street Journal** ,2006 **Humanities Index** ,2002 Women of Color and the Multicultural Curriculum Liza Fiol-Matta,Mariam Chamberlain,1994 A A A The product of 13 curriculum projects that involved several hundred educators nationwide this volume provides faculty and administrators with a guide to multicultural curricular change especially with respect to women While womenA represent over halfA of the college students on campus they are still represented only minimally in the allegedly mainstream curriculum Women of color are far less visible in the curriculum than white women A A A Both the process and the results of a Ford Foundation funded project are presented here in a format that allows browsing and promotes reading straight through The volume is divided into three major sections the first of which highlights the actual process of faculty transformation and administrative support essential to curricular changes as it occurred on two of the participating campuses U C L A and George Washington University Extensive multidisciplinary faculty development syllabi are provided A A A Section Two conatins 37 transformed undergraduate course syllabi for courses in sociology American history and literature and more with brief essays describing professors encounters with teaching the new texts Section Three is an invaluable interdisciplinary guide to teaching about Puerto Rican women prepared by a team of scholars at SUNY Albany It provided information about Puerto Rican women inside and outside Puerto Rico as well as teaching strategies for integrating such information into the traditional curriculum A A A This volume shows that essential educational change to meet the diversity of U S students may be somewhat slower than one would wish and more difficult but it is complex challenging and intellectually exciting *The Working Press of the Nation* ,1989 Chicago Tribune Index ,2008 *The New York Times Book Review* ,1978 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback Alternative Press Index ,1992 **Research in Education** ,1974 **Empires of Ideas** William C. Kirby,2025-05 A Marginal Revolution Best Non fiction Book A fascinating book Steven Mintz Inside Higher Ed Substantive on virtually every page the author actually understands how universities work An impressive performance Tyler Cowen Marginal Revolution With his extraordinary breadth of curiosity and equal ease in the histories and cultures of these countries only Bill Kirby could have written this book It is must reading for everyone who cares about universities a thought provoking lesson in the strange mix of durability and vulnerability that defines this key modern institution Richard Broadhead President Emeritus Duke University William Kirby s new book is unique I know of nothing else on higher education that resembles it in breadth scope and sheer comparative information and analysis Anyone interested in the nature of universities

during the past two centuries will want to read this volume Neil L Rudenstine President Emeritus Harvard University Today American institutions dominate nearly every major ranking of global universities Yet in historical terms America's preeminence is relatively new and there is no reason to assume that US schools will continue to lead the world a century from now Indeed America's supremacy in higher education is under great stress particularly at its public universities while Chinese universities are on the ascent Will China threaten American primacy Empires of Ideas looks to the past two hundred years for answers examining the successes of leading universities to determine how they rose to prominence and what threats they currently face William C Kirby gives special attention to the challenges that Chinese academic leaders must confront reinvesting in undergraduate teaching developing new models of funding and navigating a political system that may undermine a true commitment to free inquiry and academic excellence

The Invisible Bridge Rick Perlstein, 2014-08-05 Presents a portrait of the United States during the turbulent political and economic upheavals of the 1970s covering the transition from Richard Nixon's downfall to the rise of Ronald Reagan during the 1976 presidential campaign

Literary Transcendentalism Lawrence Buell, 2016-11-01 Broader in scope than any previous literary study of the transcendentalists this rewarding book analyzes the theories and forms characteristic of a vital group of American writers as well as the principles and vision underlying transcendentalism All the movement's major literary figures and forms are considered in detail Lawrence Buell combines intellectual history and critical explication giving equal attention to general trends and to particular works and individuals His chapters on conversation religious discourse catalog rhetoric and literary travelogue treat intensively topics that have been relatively neglected His analyses of Ellery Channing's poetry and the use of persona in Emerson and Very are also innovative In the final section he offers the first systematic account of the autobiographical tradition in transcendentalist writing This incisive and sympathetic overview of transcendentalist writing and thought will attract readers interested in American culture and it will suggest new critical approaches to nonfiction
