Lucifer Ascending Bill Ellis,2021-05-11 Despite their centuries old history and traditions witchcraft and magic are still very much a part of modern Anglo American culture In Lucifer Ascending Bill Ellis looks at modern practices that are universally defined as occult from commonplace habits such as carrying a rabbit s foot for good luck or using a Ouija board to more esoteric traditions such as the use of spell books In particular Ellis shows how the occult has been a common element in youth culture for hundreds of years Using materials from little known publications and archives Lucifer Ascending details the true social function of individuals dabbling with the occult In his survey of what Ellis terms vernacular occultism the author is poised on a middle ground between a skeptical point of view that defines belief in witchcraft and Satan as irrational and an interpretation of witchcraft as an underground religion opposing Christianity Lucifer Ascending examines the occult not as an alternative to religion but rather as a means for ordinary people to participate directly in the mythic realm

[The Lord Is Risen He Is Risen Indeed! He Really Is](#) Richard Sheffield,1998 Richard Sheffield s preaching is stimulating and unique Whenever I am burdened or under pressure his pithy insights into the Gospel of our Lord refresh my spirit They sometimes also sting my soul to pay attention to more significant things in life than preoccupying problems He is also a courageous preacher when he says things

we all think or doubt and dare not to express He handles life's misgivings kindly and cleanly so that listening to him is a religious experience This comes about because he came to the temple of religion through the corridors of commerce and knows the real world of his laymen Under his gentle manner there is the fire of Peter Thomas and St Paul all of whom also preached with integrity and conviction Bryant Kirkland Minister Emeritus Fifth Avenue Presbyterian Church New York New York At first glance the Easter title may seem out of place for a book half full of sermons for Lent But Richard Sheffield argues and preaches that the sermon for Easter Day is really the sermon for every day in the life of a Christian The Lord Is Risen is really the only sermon we have or need to have How we live out our lives in response to that central fact of our faith fills the sermons in Lent as well as Easter with hope Hope in the here and now as well as in the hereafter Rev Sheffield has little patience with those who would turn the good news about God into the bad news about us and it shows He writes Belief is more than just ascertaining the facts and figures of faith Or figuring out the best way to keep God happy long enough to get into heaven Belief is living life now certain of the love of God in Jesus Christ for you and me Living life unafraid even of death itself Richard L Sheffield is senior pastor of Market Street Presbyterian Church Lima Ohio He holds a Master of Divinity degree from Princeton Theological Seminary and an M B A degree from the University of Chicago He is a candidate for the Doctor of Ministry degree at Louisville Presbyterian Theological Seminary

The Lost Teachings of Jesus, Book 1

Mark L. Prophet, Elizabeth Clare Prophet, 2020-01-01 Unmistakable evidence that many of Jesus' teachings were altered, deleted or never recorded In their classic series The Lost Teachings of Jesus Mark L Prophet and Elizabeth Clare Prophet prove that many of Jesus' original teachings are missing They show that the New Testament records only a fragment of what Jesus taught That what was written down was tampered with by numerous editors or suppressed by guardians of the faith And that some of what was recorded has been misinterpreted to this day The authors fill in the gaps with a bold reconstruction of the essence of Jesus' message They unfold the lost teachings Jesus gave in public to the multitudes and in secret to his closest disciples In modern vernacular they offer a unique blend of the mystical and the practical that goes beyond the orthodox view of Jesus to discover his original message And they answer questions that have puzzled readers of the Bible for centuries
