Christian Heritage ,1968 *Jesus in History, Legend, Scripture, and Tradition* Leslie Houlden,Antone Minard,2015-06-23 This multifaceted work contextualizes Jesus in religion and culture by bringing together articles on folklore history literature philosophy popular culture and theology Many books have been written about Jesus but this two volume work takes a different approach than most What sets it apart is that it emphasizes Jesus lasting impact on world history and his legacy in the imagination over 2 000 years Written as an introduction the encyclopedia is equally suitable for Christians who wish to better understand the history and philosophy of their religion and for non Christians who wish to grasp Christianity in its historical and social contexts Alphabetically arranged entries cover representations of Jesus in the bible and the writings of key theologians examining the essentials of philosophical and religious views across history The set also includes hundreds of entries that reflect on the role Jesus has played in popular culture and contemporary vernacular religion perspectives that are not usually placed alongside theology Through the encyclopedia students will see how artists writers philosophers church figures and others have imagined Jesus and been influenced by their perceptions of him At the same time primary documents will encourage students to compare and contrast ideas and evaluate arguments that have arisen over 20 centuries **Bulletin of the American Museum of Natural History** ,1948 Comprises articles on geology paleontology mammalogy ornithology entomology and anthropology *Point of View* Elisabeth Hasselbeck,2021-02-02 Recognized from her roles on Survivor The View and Fox Friends best selling author Elisabeth Hasselbeck presents a deeply intimate journey of faith told through the important moments in her life From designing shoes to surviving Survivor to not surviving The View Elisabeth Hasselbeck has learned more about standing up for her convictions in the public eye than she ever though she would when she applied for a reality TV show on a whim almost two decades ago Through most of those years Elisabeth strived as if she had to earn the approval of others and of God But God was gently at work in her to show His point of view His invitation for her to rest in the calling rest in His Word and rest fully in the truth of the gospel Point of View is an intimate walk of faith as she writes mom to mom friend to friend mother to daughter From the divisive table at The View to national political platforms to the breakfast table Elisabeth bares her heart about her failures her triumphs and her path of learning lessons the hard way **Catalog of Copyright Entries** Library of Congress. Patterson,Henry Louis Gates Jr.,2025-08-19 An authoritative anthology tracing the history of one of the most important concepts Black people drew on to challenge the brutal totalizing system of Jim Crow racism This book brings together a wealth of readings on the metaphor of the New Negro charting how generations of thinkers debated its meaning and seized on its potency to stake out an astonishingly broad and sometimes contradictory range of ideological positions It features dozens of newly unearthed pieces by major figures such as W E B Du Bois Charles S Johnson and Drusilla Dunjee
