## **Jesus The Controversial Messiah:**

Jesus: the Controversial Messiah Maxim Mikulak, 2014-12-19 Was Jesus the Messiah of Israel How did he see himself How did his contemporaries see him How do we judge the many claims that have been made on his behalf Maxim W Mikulak Ph D synthesizes a vast array of material to arrive at a compelling portrait of the historical Jesus living in a time of great upheaval struggling to interpret Jewish prophesy and to define his spiritual calling in relation to it Dr Mikulak follows where the evidence leads as he examines the contradictory Scriptural passages surrounding such pivotal events as Jesus baptism by John his trial and crucifixion as well as his resurrection Jesus The Controversial Messiah is a thought provoking tour de force

**Christology, Controversy, and Community** David R. Catchpole, David G. Horrell, C. Christopher Mark Tuckett, 2000-01-01 This collection of essays by an international team of New Testament scholars focuses on various kinds of christological claim whether by the historical Jesus in the Q tradition John Paul or the synoptics and their connection with controversy and community

**Jesus: Controversial Truth** Quest For Truth Institute Inc., 2018-12-21 Where did Jesus Christ come from When was He really born And when did He die Was He hanged on a cross or a stake How many days was He in the grave These are some intriguing questions that have sparked a lot of controversies But what is the truth We explored the scriptures and reconciled them with historical accounts as well as astronomical events to find the truth You ll be shocked with what we found Have an open mind A priceless gift for any occasion

**God's Quest** Lyman C.D. Kulathungam, 2019-12-09 Why bother with God when he is viewed as a sacred superstition a discarded non entity or a pretext for religious wars Jews and Christians have doubted and discarded God at many times throughout the ages and have also justified countless conflicts in his name Their history however tells a different story Here we observe the historical reality of God s relentless quest to relate with people whether Jew or gentile Despite significant differences between these communities this is the DNA that binds them and places them in a paradigm different from the one articulated in The Quest Christ Amidst the Quest where people are seeking to be freed from their predicament The Judeo Christian narrative shows God s incessant quest orchestrated through various channels such as scriptural revelation miraculous interventions covenantal commitments divine presence in the tabernacle or the temple God s sacrificial incarnation in Christ and the advent of the anticipated Jewish Messiah The narrative climaxes in a grand finale when humans and their habitat will be ushered into an age of peace and harmony Journeying through such a narrative will provide assurance that God is walking with you amidst life s turmoil and that the best is yet to be

*The Real Messiah* Stephan Huller, 2012-01-01 Highly controversial but impeccably researched The Real Messiah explodes the myth that Jesus was the long prophesied Messiah of the Jewish nation Indeed it argues that Jesus never claimed that role but thought of himself as herald to the true Messiah Marcus Julius Agrippa the last King of the Jews and Jesus contemporary It was he who truly founded what became known as Christianity and wanted to build a faith to which anyone could aspire Though Marcus Agrippa was initially successful with

the passing of time those in charge of the new faith capitulated to the whims of successive Roman Emperors and centered their religion on Jesus instead      **Matthew's Transfiguration Story and Jewish-Christian Controversy** A. D. A.

Moses,1996-01-01 The Gospel accounts of the transfiguration of Jesus continue to puzzle the average reader The purpose of this book is to address some of the perplexing issues surrounding the event and to explain the significance of the transfiguration particularly in Matthew s Gospel It demonstrates that Matthew s account of the event is to be seen in the context of first century controversy between Christians and Jews about Jesus and Moses with the Jews emphasizing Moses greatness and Matthew portraying the transfiguration within Moses Sinai categories and also in terms of the enigmatic Son of Man figure in Daniel 7 Possible influence of the transfiguration event is also seen elsewhere particularly in 2 Corinthians 3 and 4 where the author argues Paul uses his Damascus road experience as a counter to his opponents emphasis on the law and Peter s witness to Jesus transfiguration      *Encountering John* Andreas J. Köstenberger,2002-02 The uniqueness of the Gospel of John is readily apparent In contrast to the overlapping material in the Synoptic Gospels John shares only about ten percent of its content with Matthew Mark and Luke John s distinct focus on Jesus life as the culmination of salvation history makes it the theological pinnacle of the gospel tradition and establishes its author along with the apostle Paul as one of the early church s foremost theologians Not a traditional commentary on the book this volume like others in the Encountering Biblical Studies series is designed especially for classroom use A lucid writing style and a number of pedagogical enhancements make this a perfect tool for helping students master the content and key interpretive issues of the Gospel of John Like the other volumes in this series the pedagogical usefulness of this work is enhanced by a number of features copious illustrative tables maps and photos sidebars and excursuses that address difficult passages and important issues an outline and objectives at the beginning of each chapter study questions and key terms at the conclusion of each chapter a comprehensive glossary and annotated bibliography instructor s manual available on diskette      **Mark** Darrell

Bock,2015-08-06 This comprehensive accessible introduction discusses the meaning and significance of Mark s gospel widely considered the first recorded treatment of Jesus      **Finding A Woman's Place** David L. Balch,Jason T.

Lamoreaux,2011-01-01 This stimulating collection of essays by prominent scholars honors Carolyn Osiek The essays reflect her career and attempt to pay tribute to both the unity and the diversity of her accomplishments The authors interpret early Christians in their social world and women in early Christianity with interpretations spanning the New Testament and early church documents The editors have brought together an international group of scholars The book includes both a comprehensive bibliography of Osiek s work as well as a brief introduction by the editors reflecting on their experiences with her during her career Contributors David Balch Jeremy W Barrier Terri Bednarz R S M Laurie Brink O P Warren Carter Adela Yarbro Collins Amy Jill Levine Margaret Y MacDonald Jason L Merritt Halvor Moxnes Barbara Reid O P David Rhoads Donald Senior C P Yancy W Smith      Joseph and Benjamin: letters on the controversy between Jews and Christians Joseph Samuel

Fifth edition* Joseph Samuel Christian Frederick FREY, 1837      The Great Controversy Ellen G. White, 2014-03-31 This book is for anyone who wants to better understand the most silent but slow and relentless unfolding of Bible prophecy from a historical perspective Caution this book is not for the faint of heart or the narrowminded It is filled with Bible and historical references to back up its assertions It climaxes with the fall of spiritual Babylon and the victory of God and good over evil A must reading if you want to learn about the closing events of earth's history and the time of the end to which the Bible refers      **The End Times Controversy** Tim F. LaHaye, Thomas Ice, 2003 The author of the Left Behind series teams up with a noted prophecy expert to provide guidelines for interpreting Bible prophecy in a consistently accurate manner equipping readers with a concise understanding of what the Bible says about the future      **The Gospel Truth** Patrick T. Rhoads, 2020-07-31 The skepticism holding sway in our public society practically screams that one cannot be serious and also be Christian This work exposes the lie to such skepticism This book adopts the scientific method to demonstrate the underlying facts recorded in the Gospels The arguments rely solely upon reason and objective criteria to substantiate their conclusions This fast paced work by a nuclear engineering executive with more than thirty five years of experience will defy expectations Rigorous and systematic this apologetic work is curated with verve energy and wit It will pique the interests of academics and lay audience alike by answering these questions Why is the resurrection a necessary but not sufficient condition for the rise of Christianity Who founded Christianity Hint it was not Saint Paul as many suppose Why did the church retain all of the Hebrew Bible even though only a small fraction pertains directly to the New Testament How does the church rectify the necessity of justice with the virtue of mercy Why did his first followers call Jesus the Christ while fully aware that he did not satisfy the expectations of the Christ in the Hebrew Bible At the end of the book readers will ask the same question about Jesus that Jesus asked of the apostles Who do you say that I am      **A Way of Reading John's Gospel** Graeme Finlay, 2024-11-21 John's Gospel presents a compelling eyewitness account of Jesus' mission It is written in simple language but consists of a rich profusion of ideas and themes that challenge the most learned scholars and can overwhelm the understanding of ordinary readers Surprisingly part of this complexity arises from the observation that the text appears to be rich in chiasmic structures This literary form is a Jewish style of writing in which a series of ideas or themes is developed and then repeated in reverse order This pattern may be represented as for example A B C D D C B A When the reader takes cognizance of this literary convention the multiplicity of ideas falls into a more tractable pattern This book is written by a layman for other ordinary readers in the hope that it will facilitate understanding of this Gospel in church and

home study groups Bible classes and schools and family and personal devotions

**Contradiction and Controversy in the Bible** Colin Elstube, 2008-10-23 A Bible study guide looking at the differences in beliefs held by many against the basic fundamentals of the church The scriptures used in support of them and those used against This is a valuable tool for understanding the beliefs of others and how and why they are able to support them There are a multitude of differing opinions and denominations each using the same Bible to support their doctrines This book tries to make some sense of the confusion without taking sides but giving an understanding of the differing teachings

The Spirit of Contradiction in Christianity and Buddhism Hugh R. Nicholson, 2016 In this book Hugh Nicholson argues that seemingly counterintuitive and abstract religious concepts such as the Christian Trinity and the Buddhist concept of No self have developed out of social identity processes more specifically as a result of hegemonic struggles and intra and inter religious rivalry
