Dolen,2009-01 **The Life and Teachings of Jesus Christ** Bob Peters,2020-02-11 This is a history book about the Son of God and his contacts with the human race There are 199 sections in this book by which I have divided up the life and teachings of Jesus Christ They are presented in chronological order beginning with Genesis1 1 and ending with Revelation 22 21 The Bible gives us a progressive revelation of Jesus Christ Genesis 1 1 uses the word God It tells us that he is the creator but does not tell us anything about the part the Son of God had in creation nor does it mention the Trinity By the time we get to the end of the Bible we have been introduced to the Trinity the Savior Jesus Christ the Son of God and the King of all creation The four Gospels are given by far the most space in this book and I placed the incidents in the life of Jesus Christ in chronological order The last week of Jesus life is given the most attention as is true in all four of the Gospels I inserted 54 biblical pictures that I believe are true to the situation You will come across many scriptural references They are there so you can easily check out my teachings I have diligently sought to be true to the Scriptures I have written thirteen other books based upon the Bible In an earlier book when I started to write about Satan a heaviness came over me I phoned two friends and asked them to pray with me We prayed and the heaviness went away and I was given liberty to write To write a book called *The Life and Teachings of Jesus Christ* seemed so far beyond me that I kept putting it off When I started I did not know what would come of my efforts or if anything would come of them If you are reading this description you are way down the road from when I started It has been an adventure for
