American Revolution Unit: Liberty! How the Revolutionary War Began Test

1. Read this excerpt from page 2:

“Why had they left home?”

Some left in search of religious freedom. The king and most Englishmen belonged to the Church of England. People who tried to worship differently were thrown in prison or even hanged.

Others left because they were poor and hungry. They hoped to find jobs and food in America.

And some hoped to be rich. In England, a poor farmer couldn't become a respected landowner. If your parents were poor, you too would probably be poor all your life. But in America, if you worked hard, you might become one of the richest people in the land.

Part A: What does the phrase religious freedom mean as used in the text above?

- A) right to work
- B) right to eat
- C) right to own land
- D) right to church of choice

Part B: Which detail best supports Part A?

- A) “they were poor and hungry”
- B) “people who tried to worship differently were thrown in prison or even hanged”
- C) “a poor farmer couldn't become a respected landowner”
- D) “they hoped to find jobs and food in America”
