Left Behind Left Behind 1:

Left Behind Tim LaHaye, Jerry B. Jenkins, 2011-03-16 An airborne Boeing 747 is headed to London when without any warning passengers mysteriously disappear from their seats Terror and chaos slowly spread not only through the plane but also worldwide as unusual events continue to unfold For those who have been left behind the apocalypse has just begun A repackage of the New York Times best selling novel *Left Behind* Now a major motion picture starring Nicolas Cage [The Truth Behind Left Behind](#) Mark Hitchcock, Thomas Ice, 2011-08-24 With the unparalleled worldwide success of the *Left Behind* series both fans and critics are curious about the relationship between Bible prophecy and the events depicted in the novels Responding to recent works that question *Left Behind*'s biblical accuracy two respected theologians set forth solid biblical answers in this reader friendly resource Beginning with a clear presentation of prophecy interpretation and dispensationalism the authors examine specific end times events represented in *Left Behind* and offer historical and biblical support for each event *Story Behind the Book* With the incredible success of this series we believe that it would be beneficial to the body of Christ for someone to publish a book that gives solid thoughtful biblical answers to the critics of the *Left Behind* theology With the questions that are being raised and will continue to be raised many may begin to wonder if the *Left Behind* theology is really biblical Some of the impact of the series could be undermined This book would set forth substantive biblical points in favor of the various end times events presented in the series *The Left Behind Fantasy* William Powell Tuck, 2010-02-18 The popular *Left Behind* series by Tim LaHaye and Jerry Jenkins has sold more than 62 million copies since the first volume appeared in 1995 Jerry Falwell pronounced it the most important series of books in the history of modern Christianity Many readers have assumed it gives the true facts about the way the world will end and what will happen to all the people in it But according to real biblical scholarship this series is seriously flawed Based on a misreading of many scriptures including Daniel and the Book of Revelation it has fed a kind of hysteria in the Christian populace that has led many people to reorder their existence in expectation of an impending doom and the sudden unexpected return of Jesus In this book William Powell Tuck carefully and authoritatively refutes the premises and faulty theology of the *Left Behind* books critiquing them in the light of genuine biblical scholarship and common sense *The Church That Is Left Behind* Kobus Swart, 2008-11 A significant pillar of twentieth century dispensationalism is the postponement doctrine of the kingdom of God This indiscriminate futurism has caused great damage and robbed the gospel of its power in the lives of believers for years John the Baptist and Jesus both clearly identified the kingdom with the era of the Holy Spirit At no time anywhere in Scripture was the coming of the kingdom made conditional on a Jewish response or event What more effective strategy could the enemy use than to have Christians believe they should be in passive waiting mode Has our failure to proclaim a full and accurate gospel of the kingdom left nations untouched still plagued by disease famine and corruption despite decades of evangelism An eschatology of victory awaits a victorious church that engages with the Holy Spirit in this present apostolic

season Creation has been waiting in eager expectation for the manifestation of the sons of God What are the sons waiting for Are you ready to respond In this book Kobus Swart resolutely confronts the erroneous doctrinal stronghold of eschatology For centuries the church has been imprisoned and restrained in fulfilling its governmental mandate because of inaccurate interpretations of the end times This is an invaluable resource in identifying and unveiling deceptive eschatological ideologies and presenting a more accurate understanding of the end of the age Thamo Naidoo River of Life Ministries Pietermaritzburg South Africa Kobus Swart has been in full time ministry since 1974 and is the founder of the Bizweni Community Church in Somerset West near Cape Town South Africa where he and his family live From this apostolic resource base he leads a ministry team serving believers both locally and in other nations [Left Behind SC Books 1-6 Boxed Set](#) Tim LaHaye, Jerry B. Jenkins, 2000-10-30 This collection includes six soft cover editions of the best selling Left Behind series Left Behind products have sold more than 40 000 000 copies and continue to be a national phenomena [Left Behind Or Left Befuddled](#) Gordon L. Isaac, 2008 The extraordinary success of the Left Behind series by Tim LaHaye and Jerry Jenkins shows that their action adventure novels have tapped into the American psyche It has revived our fascination with vivid images of the book of Revelation and other biblical texts the Antichrist the mysterious number 666 and people suddenly raptured into the sky by God But is there something dangerous behind the thinking in these books and how they play out in our world today In Left Behind or Left Befuddled Gordon Isaac takes the reader inside the theology behind the series In clear and accessible prose Isaac answers many important questions that Christians have about the phenomenon that is Left Behind Is this Vision of the end times really biblical Why do people have such a powerful response to it What are alternative ways to think about the end times How do the books view Catholics and other Christians What does this Vision of things mean for Israel and the Jewish people How can we counter the myths proposed in the series as fact Gordon Isaac is the Berkshire Associate Professor of Advent Christian Studies in the church history department at Gordon Conwell Theological Seminary in Massachusetts He is also an ordained Advent Christian minister who has served a number of congregations **The Left Behind Prequels Collection: The Rising / The Regime / The Rapture** Tim LaHaye, Jerry Jenkins, 2017-07-04 This collection bundles all 3 of the blockbuster Left Behind Prequels by Tim LaHaye and Jerry B Jenkins together into one e book for a great value 1 The Rising The Rising begins a new Left Behind series that will give you a glimpse into the lives of your favorite characters before the Rapture Have you ever wondered what life was like before the Rapture for Rayford Irene and Chloe Steele Bruce Barnes Buck Williams and Tsion Ben Judah Plus see why Viv Ivins plays such a pivotal role in Nicolae Carpathia s life What were the events surrounding Nicolae s sudden rise to power How did he become filled with evil You will find all these answers and more in this exciting new series In The Rising Marilena Carpathia has only one dream to be a mother So when a mysterious clairvoyant promises the fulfillment of this dream Marilena does not hesitate Through genetic engineering and the power of the prince of darkness himself Marilena is about to become a chosen vessel one who will

unknowingly give birth to the greatest evil the world has ever known Halfway around the world God s plans are subtly being carried out too Young Ray Steele is determined to avoid one day taking over the family business Instead Ray sets his heart on becoming a pilot Soon Carpathia s and Steele s lives will intersect And good and evil will clash in an explosion that will shake the world The eternal battle for souls has come to earth The world hurtles toward the countdown to the Rapture 2 The Regime Dynamic Romanian multimillionaire Nicolae Carpathia s sphere of influence steadily grows as he parlays his looks charm charisma and intellectual brilliance into success in business and politics But is it mere coincidence that those who oppose or offend him suffer to the point of death Meanwhile a young Buck Williams begins his journalistic career Pilot Rayford Steele gains more responsibility at work and at home Scientist Chaim Rosenzweig begins work on a secret formula that could change the world All three go about their daily lives unaware of each other or of the powerful young man from Romania Around the world the stage is being set for the cataclysmic event that will change the world forever 3 The Rapture In this the final prequel to the blockbuster series the story features the Rapture three quarters of the way through the book and then follows characters such as Irene and Raymie and others up to heaven where they are able to see events in the Tribulation from heaven s perspective The story alternates between events on earth immediately after the Rapture covering lots of things the authors wished they could have covered in the original volumes and characters in heaven and how they view the chaotic events on earth
