Extending the Legacy ,2004 Railway Palaces of Portland, Oregon: The Architectural Legacy of Henry Villard
Alexander Benjamin Craghead,2016 In 1883 railroad financier Henry Villard brought Portland and the Pacific Northwest their first transcontinental railroad Earning a reputation for boldness on Wall Street the war correspondent turned entrepreneur set out to establish Portland as a burgeoning metropolis To realize his vision he hired architects McKim Mead White to design a massive passenger station and a first class hotel Despite financial panics lost fortunes and stalled construction the Portland Hotel opened in 1890 and remained the social heart of the city for sixty years While the original station was never built Villard returned as a pivotal benefactor of Union Station saving its iconic clock tower in the process Author Alexander Benjamin Craghead tells the story of this Gilded Age patron and the architecture that helped shape the city's identity The Legacy of Yugoslavia Othon Anastasakis,Adam Bennett,David Madden,Adis Merdzanovic,2020-06-25 What are the consequences of Yugoslavia's existence and breakup for the present This book reflects on this very question identifying and analysing the political legacies left behind by Yugoslavia through the prism of continuities and ruptures between the past and present of the area After the collapse of Yugoslavia it's former states adopted a nation building process which opted to eradicate the past as such an approach seemed more convenient for the new national projects The new states adopted new institutions new market oriented economic paradigms and new national symbols Yugoslavia existed for 70 years and to consider the current political situation in post Yugoslav states such as Slovenia Croatia Bosnia and Herzegovina Serbia Montenegro North Macedonia and Kosovo without taking into account the legacy and remnants of Yugoslavia is to discount a vital part of their political history This volume takes a multi disciplinary and multi faceted approach to examining the legacy of Yugoslavia covering politics society international relations and economics Focusing on distinctive features of Yugoslavia including worker self management the combination of liberalism and communism and the Cold War policy of Non Alignment The Legacy of Yugoslavia places Yugoslavia in historical perspective and connects the region's past with its contemporary political situation *Malheur's Legacy* Carla D.
