Jean Claude Marie,2016-08-05 La medecine quantique et la biochimie du cerveau apporte une conscience a la medecine et au monde qui a grandement besoin Si la biochimie du cerveau consiste a attirer par une remise en cause de soi l energie positive pour transmuter son cerveau et developper sa conscience par l apport de nouveaux neurones qui existait dej a d une maniere rudimentaire avant leur eveil La medecine quantique permet de prendre par sa conscience la conscience pure que certain medecin quantique nome la super conscience et de la projeter sur l organe malade Certains parviennent meme a faire renaitre une dentition et a reconstituer un organe comme le foie un poumon L energie positive a la propriete que l on veut lui donner au fond de soi et suivant sa conscience peut produire une guerison spontanee Pour y parvenir le praticien par sa pense sort de son mental en se reposant sur sa spiritualite c est par ce principe que s accomplit les guerisons miraculeuses

Médecine quantique Jean-François Mazouaud, 2007-08-13 Depuis environ un siècle les scientifiques tentent de mieux comprendre l ensemble des phénomènes qualifiés de quantiques Cela impose une remise en question de nombreux postulats qui assuraient jusqu'alors de manière incontestable les fondements de la physique de la chimie ou encore de la biologie La dernière décennie n'change pas cette remise en question Jusqu'ici la maladie était décrite comme une liste de symptômes qui lorsqu'une majorité d'entre eux présente validait le diagnostic présumé Les remèdes employés attaquaient alors principalement aux fonctionnalités biochimiques qui devaient être retrouvées ou remises en route L'étude de la cellule selon une approche quantique révèle l'existence d'une communication intercellulaire Celle-ci permet aux différentes familles cellulaires de changer des informations vitales pour le fonctionnement global de l'organisme Ce BABA de la dernière décennie quantique offrira l'opportunité de faire connaissance avec cette communication intercellulaire Dans un premier temps toutes les notions scientifiques nécessaires issues du concept de terministe ou quantique seront développées avec pédagogie Vous y trouverez ensuite tout ce qui touche aux mécanismes internes de la communication intercellulaire et aussi aux moyens de stabiliser celle-ci en cas de dérèglements Ainsi l'approche de la maladie sera-t-elle remise en question pour le bien-être de tous dans la mesure où une telle découverte encore mal connue apporte une contribution incontournable à notre arsenal thérapeutique actuel

Médecine quantique Nadine Schuster, 2002 Le régime minéral que l'on retrouve en chacune de nos cellules est touché actuellement par les pollutions de notre environnement Nos flores intestinales, urinaires et pulmonaires sont aujourd'hui envahies par des germes mutants et par de multiples parasites En ces temps troublés de menaces bactériologiques et virales permanentes on veut combattre tous ces germes mais ils réussissent à muter pour s'adapter à leur environnement ils deviennent ainsi pathogènes et résistants Approcher le plus concrètement possible les attitudes quantiques qui sous-tendent ces processus représente le travail actuel du Docteur Nadine Schuster Peut-on dire par exemple aujourd'hui à ce niveau que la maladie d'Alzheimer chez l'homme ou l'ESB chez les bovins sont des événements logiques par rapport à notre éologie intérieure Que les maladies auto-immunes sont en fait des processus d'autodestruction liés au manque d'amour ou bien pire encore pour d'autres maladies plus graves l'état d'esprit de l'homme en général par rapport à la Terre Ce livre se veut une passerelle entre différents types de médecine avec un double objectif minutieux dans son argumentation scientifique

pour arriver en seconde partie une esp^rance de solution mais combien importante pour le monde actuel **Médecine Quantique** Luc Bodin,2011 FRE-MEDECINE MODERNE PAR LA ME Jean Claude Marie,2016-08-17 La medecine moderne appelee aussi medecine classique et allopathique considere surtout le corps physique plus que les possibilites de l esprit et du mental Aussi pour qu elle soit conforme au besoin de l evolution de l etre humain Elle doit s adapter a la medecine quantique afin de reduire son cout et qu elle soit plus efficace Nous ne devrions jamais tomber malades si nous cherchons a elever notre conscience en respectant la valeur morale et en developpant notre conscient au detriment de notre inconscient par une remise en cause de soi pour faire face aux difficultes de la vie Et la connaissance de ce livre doit nous permettre de vivre dans un monde meilleur
